The villa has been constructed with a central living area, which makes for the perfect place to cosy up on lazy days and chilled nights! Finished with superior modern design, a plump sofa sits invitingly in the middle of the room, providing views of the lush exterior or an opportunity to immerse yourself into a film on the mounted television!

You can find your rest and comfort in the massive double bedroom offered in this villa! Continuing the five-star quality of design throughout the villa, the bedroom hosts a massive double-bed, which you can sink into, be warned however, it's so comfortable you may have trouble leaving it!

The bathrooms stone and marble walls and flooring help further illustrate the villas adoption of the latest designs! Take a soak with soft lighting in the beautiful bathtub or to quickly refresh yourself, make use of the shower.

Outdoors, the true splendour of the villa is on display for guests to take full advantage of! Enclosed by fragrant shrubs, bushes and trees, you have complete exclusivity thanks to nature. The centrepiece of the exterior is the large swimming pool, enticing guests to splash around and escape the heat of the Thai climate. Guests are invited to dine alfresco on the outdoor tables and chairs before digesting food as they laze on the sofa beds, with or without the use of a parasol.
