Location & Local Information

Situated at Bali's famous Bali Mandira Beach Resort and Spa, the Mandira Club Suite is just a short walk away from all the pools, restaurants, bars and beaches the resort has to offer. If you want to venture a little further afield the popular area of Seminyak is just a short distance away.

Set a little way along the coast from the popular Kuta Beach, Seminyak is known for being less crowded and little tamer than its neighbour. Beach bars and cafes run along the coastline offering the very best in fine dining. The night life here is gentler than Kuta, not as focused on nightclubbing; beach bars are the order of the day here in Seminyak and are popular with tourists who want to sip a drink and feel the sand between their toes. Seminyak is probably best known for its shopping, with many high-end boutiques and brands opening up shop here, making it a real shop-till-you-drop destination.

A trip to Seminyak isn't complete without a visit to the Nyaman Gallery which showcases pieces by local Balinese and Indonesian artists. The emphasis of the gallery is on up and coming new talent and pieces include wearable art, ceramics, paintings, and sculpture. Almost all of the pieces are for sale, so why not support Bali's flourishing art scene and pick yourself up a beautifully unique souvenir.
