Location & Local Information

Just a 20-minute walk away from the dazzling coast, Villa Sajeta is beautifully nestled between the forested interior landscape and the dazzling Adriatic Sea.

Along the coast you can stroll along picturesque promenades, both sandy and pebble beaches and lap up the crystal clear waters! From breath-taking scenery and rich history to a world-famous culinary scene – you will find it all in Istria! A myriad of enchanting towns and villages, rich in history and culture, are nestled among the undulating countryside.

Nearby Poreč is a town of culture, tourism, sport and entertainment and has one of the most important Western Byzantine churches outside Italy yet is also the party hub of the peninsula, showing just how diverse this region is!

Just 45 minutes away, you can't miss the delightful Venetian coastal town of Rovinj half-way up the western coastline. Wander the old town, with its Venetian architecture and marble streets and admire the views across the marina before settling for a meal in one of its many beautiful sea-side restaurants. And be sure to stop off in Lim Bay while you're there – a dramatic Fjord stretching for miles inland!

Active holiday-makers will be delighted with the offerings: from windsurfing in Medulin to scuba diving in the Brijuni National park and rock climbing, hang-gliding and walking in Buzet along the 15km 'seven waterfalls' walk, Istria has it all. Both along the dramatic coastal paths and in the mountains inland, you will find an abundance of pristine paths for cycling (including the picturesque Parenzana route over an old railway line from Vignana to the Slovenian border) and rugged off-road hiking trails.

Much like its neighbouring Italy, Istria is a gastronome's paradise, home to world-class cuisine and endless rows of vineyards. Be sure to try the local wines. Istria is especially famous for its truffles, which you will find served with any dish and sauce! Truffle flavoured olive oil is a typical product of the region and indeed, you will hardly find a village which does not have its own Olive Oil 'supermarket'!

Both Rijeka and Pula have international airports within a short drive of the villa, while Pula is the main hub for those getting ferries, although there is daily ferry between Poreč and Venice.
