Ibiza, one of the Balearic islands, offers sunshine in abundance! Enriched by the replenishing waters of the Mediterranean Sea, the island boasts an array of fresh food, grown and produced on both land and sea. Mix in a splash of tranquil spots and a dollop of awesome nightlife activities and a helping of beaches and bays, and you have one of the greatest places to escape from the mundane!

Your location in the east of the island sees you in a rural and peaceful area, meaning you have quiet and calm settings to retreat to, with instant access to the wealth of opportunities the eastern coast offers!

Es Cana will keep you full up and your thirst quenched with its mind-boggling amount of restaurants, bars and cafes! Why not dine on authentic tapas and wash it down with top-quality vino, all the while catered with service you may have imagined was only reserved for royalty! With an abundance of bars and cafes throughout the town and on the coast, your biggest decision for where to wet your whistle will be based on the type of backdrop you require to compliment your servings!

The area is best known for its hippie market, Punta Arabi where guests can shop from a mind-boggling amount of different merchandise as well as sip coffees and drinks or eat food as live music accompanies your shopping trip! Pick up some food to take back to your villa in preparation for a homemade feast!

You are blessed with a selection of beaches to spend a day of fun in the sun or simply relax on sandy shores as you gaze across the magnificent sea! Choose Cala Martina, a beach with tonnes of things to do, presenting lovely sandy shores to relax on and turquoise seas for you to get right into and find relief from the sun!

The beach also offers amenities and services to make your stay as comfortable as possible, and bars and restaurants serve food and drink to beachgoers all day long! Or for more tranquillity and a less visited beach why not head to S'Argamassa!
