Region: Budva Sleeps: 6

Overview

For a stay in sheer contemporary class upon your escape to Montenegro, look no further than Villa Dobrislav. This five-bedroom holiday-home makes the most of its outstanding location to offer you unrivalled vistas as well as modern-day comfort and relaxation throughout your stay!

Villa Dobrislav has been finished to the highest standards in modern-day architecture and interior design. Indoors, the latest designs with marble, wood and stone have been plastered across floors, walls and features and chic furnishings and decor serve to keep you comfy in the simple yet exquisitely crafted villa. Areas are basked in sunlight from floor-to-ceiling patio doors and windows, whilst outdoors, the patios and terraces have been designed flawlessly to ensure that immaculate settings are continued throughout the estate!

On the ground floor, you can sweat out your toxins and revitalise in the villa's very own sauna! Three of the five bedrooms in this dwelling are located here, all housing super-cosy double beds in pleasantly large bedrooms, which give breath-taking views of the Adriatic Sea and beyond from the comfort of the room. One of the bedrooms has an en-suite bathroom, whilst the remaining two share use of a family bathroom.

Upstairs on the first floor, guests are given spaces that are best suited to bring all ten guests together as one! Bathed in glorious sunlight from the patio doors and the windows, the classy lounge area offers plump sofas and jazzy seats to keep everyone relaxed. Add the television for entertainment or background noise, or the intimacy of the fireplace to ensure that evenings spent indoors are unforgettable! Behind, the cook of the party can take full advantage of the fully-equipped, pristine kitchen offering everything you need to feel at home whilst you prepare spreads! Serve meals on the dining table that sits adjacent to the kitchen!

On the top level, you have the choice of two more bedrooms with en-suite bathrooms, each housing double beds. So large are the rooms, that additional seating has been placed in one of them to provide you with a personal lounge area! As polished and refined as the other quarters, you can sip morning coffees or evening nightcaps as you gaze across the sea on the balcony accessible here!

Outdoors, step into a freeing and simple patio! Glass has been used to separate areas, as well as provide protection against the heights. And whilst the heights may prove scary to some, everyone can agree the vistas from the elevated position are simply captivating! Kick-back with a cocktail or two and watch the sea and its activities! For cooling relief from the sun, you can splash around in the outdoor pool, built deep into the patio to provide even more shade!

Location & Local Information

Oliver's Insight...

A once hushed secret, Montenegro is becoming discovered more and more amongst travellers as a jewel on the Mediterranean. Its position off the Adriatic Sea means you have miles upon miles of coastal lines and a country enriched by the sea with an abundance of natural beauty. With tantalising cuisines and more historical sites and landmarks than you can count, you will soon discover why this country's popularity is expanding at a staggering rate!

Budva is one of the most naturally stunning places within Montenegro, with green and black mountains as backdrops for the bewitching waters that sit on its coast. Known for its collection of over fifteen beaches, Budva includes a host of places to dine and try Montenegro food, as well as a buzzing atmosphere which offers a variety of things to do both day and night, on land and the sea!

Your location sees you in the town and in proximity to everything you will need to have an unforgettable getaway! Start your adventure with a day of fun in the sun at any of the beaches that line the coast. Choose from built-up and vibrant beaches of pebbles or sand or a mix of both and unbelievably crystalline, multi-coloured waters! On stretches such as Slovenska plaža Beach and the two sections of Jaz Beach, you can get yourself a sun-lounger and a parasol and kick back with refreshments from the bars and cafes that line the front of the sands. Or for more tranquil spots and to beat the crowds pick spots like Bežanijski beach and you can even take a trip to St. Nicholas Island, where small coves make it a great place for romantic beach settings or exclusive, memorable moments with the family!

Pick from your choice of restaurants on the shorefront or in the town. You can dine on the scrumptious delights the native cuisine offers from Burek for breakfast, to a mouth-watering Njeguski Steak for dinner! If you crave something a bit more familiar, the town hosts an array of diners offering international recipes to satisfy taste buds.

In the daytime, visit the cultural sites that are scattered through the town such as the square in front of Santa Maria del Punta Church. At night head to the main street for some of the liveliest clubs and bars that the country has to offer, where you can dance until the early hours of the morning!
