## Location & Local Information

### Oliver's Insight...

Montenegro is a jewel of a country, set in the Balkan region and presenting all you need upon a break from routine! Whether you want to enjoy the serenity and awe that nature brings, spend days of sunshine and sea on beaches and bays or explore cultural and historic sites, Montenegro offers it all. Alongside such terrains, the country proudly showcases some of the finest foods across the continent!

Set in the Budva municipality, Luka Villa offers exclusive and calm settings when you retreat to the home, whilst remaining near loads to do! Budva is a standout region in Montenegro with bays and beaches across its gorgeous coast, historic sites and a vibrant nightlife to dive into, for an unforgettable getaway!

Your stay sees you in the village of ?u?uci, a quaint town and your location sees you overlooking the beach! Becici Beach is over 2km long and offers both pebbly and golden grained sandy shores. Guests will enjoy the warm currents of the multi-hued, blue, crystalline waters of the Adriatic Sea where you can swim and splash for as long as you want! From here, you can also visit St. Nicholas Island, where small coves make it a great place for romantic beach settings or exclusive, memorable moments with the family!

Whilst most areas outside the Old Town feature redeveloped and modern settings, The Old Town itself is an amazing way to step back into time and marvel at the archaeological and historical sites and streets throughout. Wander and get lost in the narrow roads admiring the beautiful contrast of red-roofed houses against the blue seas!

The region is home to speciality seafood, freshly caught from the sea and served straight to your plate! The entire region hosts an array of places to eat, at the marina, the beach and promenade and even in the old town! Take your pick from grilled meats and vegetables, stuffed steaks and so much more as you try out the native foods that Montenegro offers!

At night, Budva comes alive with a selection of spots to spend your evening! Whether you're looking to party until the early hours of the morning or wind down with drinks and mellow vibes after adventurous days, Budva is the place to be!
