## Location & Local Information

Greece is a wondrous country, filled with undeniable natural beauty across its entire length! With a history that has helped shape the world as we know it and a cuisine that has been replicated globally, you are sure to have an unforgettable experience on your getaway to Helas!

Agios Georgios Nilias in the Pelion region lies in the east of Greece and offers a humble village to explore upon your stay at Villa Vlasio! With well over twenty separate villages in the region, Agios Georgios will bring you closer to nature, provide slopes to ski down in the winter and beaches to relax on by the coast in the summer as well as local restaurants and shops that you can visit!

From the villa, guests are free to organise tours of the splendid landscape and traverse either on foot or on mountain bikes. Travel through towns with architecture that speaks of the country's origin and history such as Sesklo and through valleys, hills and terrains that showcase the organic enchantment this region offers!

A myriad of beaches sits below you on the Pagasetic Gulf, providing soft, golden sand shores and waters of a collection of blue hues that sparkle in the sun! Sit back and soak in the rays of the sun or bask in the waters of the remarkable sea as you sip an iced cold frappe! Beaches such as Potistika offer more serene settings whilst popular beaches such as Koropi are far more built-up, so you can expect a variety of places to eat by the seaside and activities on the water to amuse and entertain! Try your hand at a variety of sports such as sailing, windsurfing and surfing, water skiing or sea kayaking!

After a day of exploration or even before you start your journey, you can feast on some of the finest dishes you will encounter across Europe! Greece's secret to its succulent foods and flavours is its use of locally grown ingredients that use native herbs and spices to combine to produce marinated meats and vegetables, heavenly sauces and cheeses, claiming fame with its world-famous Feta cheese. Another appealing factor is that the meals are often super-healthy, even the wine, so drink until you are merry and truly experience the Mediterranean way of life!
