## Overview

Villa Bun Ma is a quintessentially Thai pavilion-style home, crafted with natural timbers and authentic Thai design, fused with the elegance of a designer's touch resulting in a finessed space. Set among coconut palm trees, in a hidden tropical idyll, this haven of quality and style is just a few moments to Phranang Beach, on the Railay Peninsula of Phuket.

Ideal for a family with a ground floor bedroom with two queen-sized beds, and a master bedroom on the first floor, both with their own sumptuous en-suite bathrooms, this sultry villa sets the tone for a fabulous break within authentic surroundings.

With a glistening pool and sedate outdoor space, together with on-hand butler service, resort amenities including the indulgence of pampering spa treatments and fine dining restaurants, this prestigious home ticks all the boxes for stylish luxury with a local twist.

Famous Thai hospitality underpins every part of this serene home; with a crafted feel, it emanates ethnic glamour, with dark timbers, sleek polished furnishing and artefacts and ambient lighting, and in keeping with the Thai way, a connection between indoor and outdoor living, proximity to water and nature are interwoven into the fabric of this home.

Glossy timbers alongside crisp white linens and soft-touch creamy upholstery, while natural daylight pours in thanks to the angular-round pavilion design and floor-to-ceiling slatted windows. Discreet, distinguished and ultra-classy, the cool interior of this stunning home is the ultimately inviting retreat after a long journey or a busy day out sight-seeing.

The bedrooms are straight from the pages of a design magazine, flawlessly executed with panache and style, in a monochrome palette, with high ceilings, the finest linen and the softest towels - guests are sure to enjoy a restorative night's sleep. Sophisticated tones of taupe, cream, bronze and polished teak create a restful, low-key vibe away from the buzz of the Thai tourist hot spots.

Nestled privately among the tropical overgrowth, with its own outdoor space and pool, this oasis of tranquillity serves the needs of the whole family; its authenticity is not underplayed by the presence of all the contemporary comforts, from flat-screen satellite television to wi-fi!

For something a little bit special; a cut above the ordinary, with exquisite

attention to detail and consistency of quality from accommodation to services, this home has it all.

## Location & Local Information

Villa Bun Ma is nestled on Thailand's stunning southwest coast, Krabi, which is known as being a less commercialised part of Thailand, dense with mangrove forests, limestone cliffs and hundreds of islands, sublime natural beauty and watersports opportunities.

Phra Nang Beach features 450m of sugar-white sand, clear waters, two small islands (Koh Rang Nok and Nai), offshore coral reef, and caves, set against the backdrop of striking limestone cliffs.

Railay is considered the centre for rock-climbing in the region, with opportunity for all abilities, while watersports conditions are superb, from scuba diving to snorkelling to sea kayaking.

Taking a private boat trip to visit some of the islands makes for a magical day out, while the jungle is dense with wildlife for interesting treks in the heart of natural surroundings.

Krabi is a low-key, tranquil and charming tone brimming with local flavour - an ideal choice destination for those looking for a pampering break in southern Thailand, away from the bright lights and activity of Phuket Town or Patong.

Krabi Town offers visitors a taste of Thai spiritual life, the religious edifices like Tiger Cave and Wat Kaew Korawaram (a magnificent Buddhist temple on a hill) will delight and inspire. The Khao Ngon Nak Viewpoint is considered one of Thailand's finest, with far-reaching vistas that make the trek well worth it.

Located between Phang Nga and Trang, Krabi province features stunning scenery both inland and at sea. With over 150 islands off its 150 km coastline, a jungle-covered interior, majestic limestone cliffs, mysterious caves, waterfalls and exotic wildlife, nature and water lovers will be in paradise!

A trip to Krabi wouldn't be complete without visiting the iconic 100m high limestone rocks on the sublime Phi Phi islands. Starring in many movies, their sugar-white beaches, sparkling clear waters and mysterious limestone rock formations leave lasting memories.

For a taste of local nightlife, Ao Nang is the spot to head for; it is relatively relaxed but has a vibrant nightlife scene with everything from live music in beachside shacks to fine dining.
