## Overview

Villa Chet is the ultimate chic retreat, exquisitely styled for a pampering break in a jungle-like setting among swaying coconut palms: a tropical idyll offering superior quality accommodation. With both Phranang Beach and Railay Beach a short stroll away in either direction, this spectacular home is nestled in the Railay Peninsula of Phuket.

Executed with architectural panache and a designer's touch, this sophisticated abode offers airily proportioned accommodation for a family or two couples, across two double bedrooms with their own stunning bathrooms and magnificent living space, together with serene outdoor space, set amid the tropical foliage, with a private pool and jacuzzi.

Finessed with understated charisma, this suave home features sleek dark timbers, glossy polished teak and all the hallmarks of a traditional Thai pavilion home, together with a luxury upgrade: floor-to-ceiling glass for an indoor-outdoor interplay, proximity to water and use of local raw materials.

This sophisticated jungle bolt-hole offers both privacy, separate spaces within an airy layout along with on-site resort amenities including fine dining and a pampering spa, as well as dedicated butler service: guests' every need is taken care of at Villa Chet, in the most discreet and refined style.

The breezy living room leads directly to the terraced garden; a muted palette of earthy tones and exposed timber along with plush fabrics creates an elegant feel. Ambient lighting, statement artwork, fine-quality linens and fabrics adorn every corner, while the two breezy bedrooms are sedately glamorous offering a restorative get-away from the bustle of downtown Phuket life.

A get-away unlike any other - Villa Chet's majestic styling sets a new standard, while its authenticity and classical Thai warmth and hospitality are interwoven seamlessly for a flawless stay.

# Location & Local Information

Villa Chet is nestled in the lesser trodden Krabi Province, set on Thailand's southern coast, home to some of the jewels in Thailand's crown - the Phi Phi islands and Koh Lanta.

Offering unadulterated natural beauty, with sheer limestone cliffs, a jungle-covered interior dense in mangrove forests, caves, lush waterfalls, exotic wildlife and hundreds of offshore islands.

Island-hopping, snorkelling, rock climbing, sea kayaking, jungle trekking and scuba diving all popular activities when in Krabi, while taking a boat tour to the islands will leave lasting memories.

Krabi Town is relatively uncommercial, offering a relaxed pace of life and taste of local culture, while Ao Nang is the spot to head for nightlife; it has a vibrant scene with everything from live music in beachside shacks to fine dining.

When in Krabi, the iconic 100m high limestone rocks on the sublime Phi Phi islands are simply a must-see! Starring in many movies, their sugar-white beaches, sparkling clear waters and mysterious limestone rock formations are unforgettable.

For a taste of Thai spiritual life, Tiger Cave Temple includes a stunning Buddha statue that hikers can reach after a 1,247 step climb up! Hard work in Krabi's tropical climate, but the views from the top are sublime, making it well worth it.

Southern Thai food is considered fiery yet delicious, everything from red-hot curries such as gaeng som and gaeng tai pla, to the velvety khao mok gai, Krabi is a culinary hotspot, and the food courts at the local markets are a great place to sample these.

Markets are a great way to experience an authentic slice of local culture. Krabi Town's "Walking Street Market" is a classic Thai night market offering everything from freshly-cooked food to stalls selling locally-made crafts and street entertainment for a colourful atmosphere.
