Region: Holetown Sleeps: 8

Overview

Charming, tropical and offering uninhibited relaxation and idyllic scenes, escape in style to Barbados at Villa Azacca. This airy and open villa affords guests a calming and casual retreat and its location amidst heaps of things to do, see, eat and drink means you are in for an unforgettable getaway!

Villa Azacca reflects the laid-back attitude within the country, with its use of cool colours, predominantly blue, to present a soothing and homely dwelling. Tastefully decorated inside and out, you can kick back and let go of your troubles as you lounge in multiple areas or soak in brilliant views across the vast sea.

The villa has been divided in two, with each floor of this two-storey home offering equal elegant settings. The main living area is light and open-planned, allowing for sunlight to bask the house and the cooling Caribbean breeze to waft throughout its interior. Settle down on plump white sofas as you chatter and laugh together or tune into a movie or show on the television. Both floors of this incredible villa offer fully-equipped kitchens, where you can make the most of the delicious produce this land offers and serve up amazing meals. To ensure your dining is equally as luxurious as your lounging, tables, chairs and kitchen wares are stylish and sleek, so you will feel the glamorous ambience ever-present! Upstairs, guests are invited to sip cocktails as they watch the sunset across the ocean on the covered balcony or enjoy alfresco dining amongst the beauty of the tropics!

Two bedrooms sit on either floor of the villa and both offer the same configuration, which makes sorting out where to sleep so much easier. Choose from either master bedroom on each floor, with en-suite bathrooms and snuggly Queen-size beds to sleep like a baby in or the second bedrooms on each floor, adjacent to bathrooms and featuring twin single beds that can be joined together to produce King-size beds!

Downstairs and outside, you can truly catch yourself a tan on the sun-loungers under the sizzling sun or enjoy the cooling shade of parasols as you recline on the chairs and table. You may notice there isn't a pool but that's because this outstanding villa sits directly on the beach. Hop from the patio and swim in the limitless expanse of the beautiful Atlantic Ocean.

Location & Local Information

Sun, sea, sand, sounds, spirits and splendour await you in Barbados. Long famed for its heavenly beaches, mouth-wateringly decadent dishes, exotic and unique cocktails and world-famous music scene, it may appear as if this island was created specifically for travellers! Whether you want to get stuck into active and lively experiences or take it easy with mellow moments, Barbados has something for everyone.

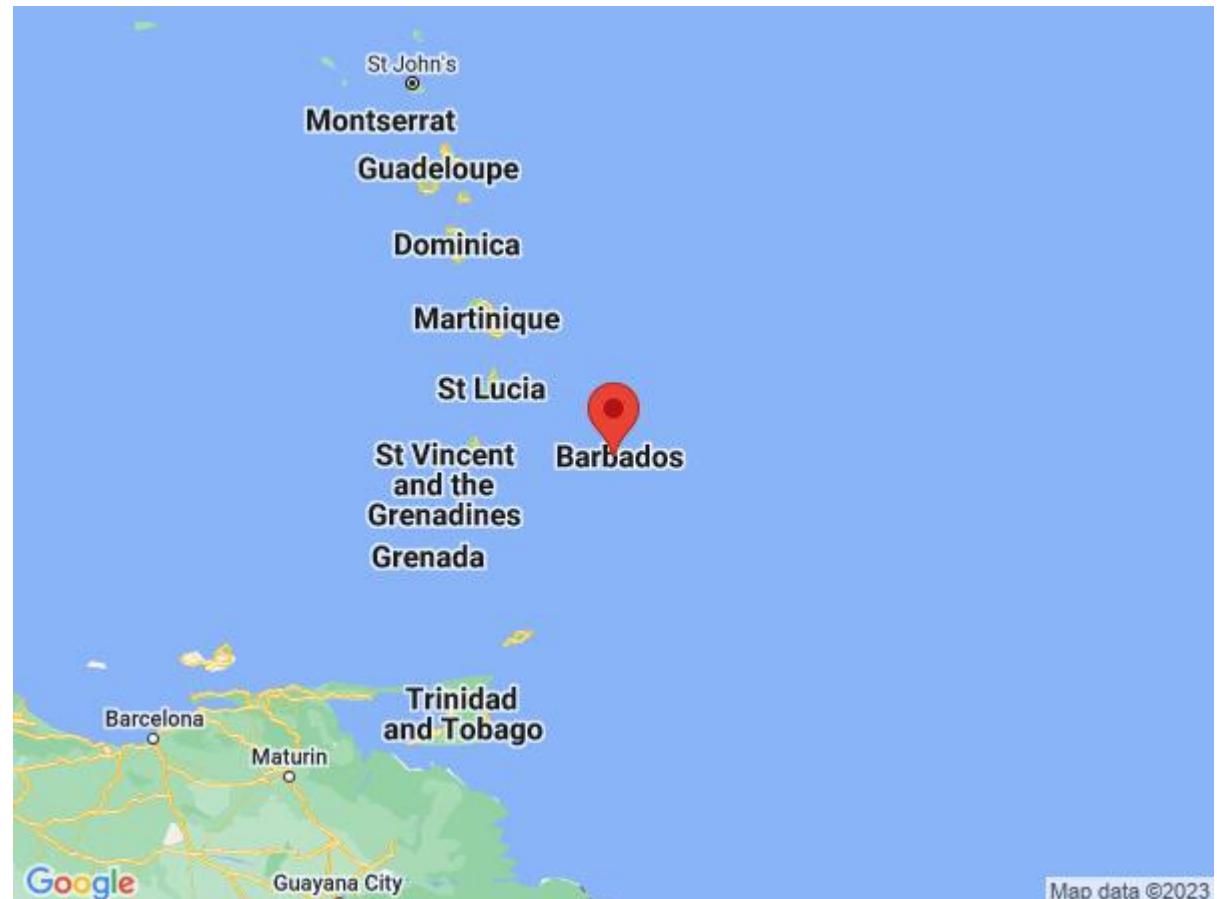

One of the reasons Villa Azacca stands out amongst the rest is its superb location. St James Parish is located on the western shores of the island, and the villa sits right on the beach, meaning you'll have the glorious beauty of this tropical delight of an island in its full splendour! That equals to tonnes of places to eat and drink, rip-roaring activities to get the blood pumping and scenic beaches and sites that you will fall instantly in love with. Don't forget your camera!

You may have envisioned the beaches or looked at photos online but nothing can prepare you for the sheer divinity that Barbados beaches offer. Postcard-worthy shores are commonplace here and with your location, smack-bang in the middle of one of the best beaches around, you have no choice but to enjoy a day of fun in the sun! Known as the platinum coast, Payne's Bay Beach's gentle curving stretch of white sand shores offers you the opportunity to rent a sun-bed, kick back and sip delicious rum recipes as you gaze across the shimmering turquoise sea!

Stepping from the beach, guests can get involved in a multitude of activities to suit any mood! If you are feeling sporty and want to challenge your fellow explorers, head to Sandy Lane's Old Nine Course, the oldest golf course on the island offering intimate greens to tee off on! Or try your backhand at tennis nearby. Shop at Holetown, just five-minutes away or try some yoga on the beach to wind down and revitalise your spirit and mood! During the day, feast on some of the most delicious cuisines you'll ever encounter due to Barbados mix of African, Portuguese, Indian, Irish, Creole and British influences in its dishes. Wash it all down with the world-famous rum punch and rum fused cocktails, equally as delicious as they are strong!
