

Villa Lolcus

Region: Pelion **Sleeps: 2 - 4**

Overview

Nestled on Mount Pelion, at the southeastern part of Thessaly in central Greece is Villa Lolcus, a delicately designed 19th-century dwelling that can accommodate 2-4 guests over two storeys. Clad in rustic stone and featuring a spacious private yard, hot tub, and spectacular views of the peninsula, Villa Lolcus is a beautifully appointed and stylish holiday home with modern facilities and a home-from-home atmosphere.

On the ground floor, guests will be greeted by the spacious double bedroom, which features a handsomely crafted king-size bed and sturdy chunky wooden furniture, affording plenty of storage space. The decor is kept fresh and light, with white walls and light wooden floors. There are pale silver voiles at the windows, and bed linen is crisp and white with throws and cushions in a light floral pattern, giving the whole room an authentic country cottage vibe. Delicate wall decals add a touch of colour in pretty shades of azure, pearl, and shell, and lamps in gold and cream add a touch of contemporary style.

The private bathroom, consisting of a deep bath and shower attachment facilities, is also on this floor and mimics the modern minimalist style of the bedroom with clean lines and a fresh colour palette. The suite and tiled walls are white, which contrasts with the intricately designed tiled floors in shades of grey, white and royal blue.

From the ground floor, guests have direct access to the luxurious private hot tub and decking area complete with sun loungers, ideal for a lazy morning dip while taking in the picturesque views of the mountainside. Surrounded by stunning olive groves and lush vegetation, providing some welcome shady spots, guests can enjoy relaxing in relative privacy.

On the first floor, guests will find the cosy and comfortable living area featuring a stylish modern fireplace, glass-topped coffee table, and flat-screen smart TV complete with Netflix. These modern touches are all beautifully juxtaposed with original features such as exposed ceiling beams and sprays of brickwork, giving a quaint rustic touch. The decor is modern with white walls and wooden floors, and soft furnishings in shades of soft grey, teal, and chocolate. The open plan room allows guests to move seamlessly from the plush three-seater sofa, which can be converted into a sofa bed to accommodate two more guests, into the dining and kitchen area which consists of a chunky wooden dining table which seats four, and a well-equipped kitchen. Amenities include

gorgeous wooden-topped teal units, electric oven and hob, fridge freezer, dishwasher, washing machine, Espresso coffee maker, and sandwich toaster.

The first floor also houses a small yet stylish restroom consisting of a toilet and basin. The walls are decorated in a soft powder blue with taps and mirror in a burnished gold effect. From this floor, guests have access out into the spacious yard, which features an outside dining table and parasol for alfresco dining. Stone steps lead from here down to the decking area and hot tub.

Location & Local Information

The soft slopes and easily accessible peaks make Mount Pelion a popular destination for lovers of hiking and mountain climbing. Beautiful during both the winter and summer months, Mount Pelion and the traditional villages nestled among it offers plenty for tourists to see and do. Situated at the foot of the mountain, Portaria is one of the most cosmopolitan villages of Pelion and is a popular holiday destination thanks to its vicinity to the sea and a skiing resort. This bustling village offers luxurious hotels and traditional hostels, restaurants and tavernas, coffee shops, bars, and shops selling souvenirs and traditional folk art items. Due to the location a car is essential.

For a truly cultural experience head to the village of Zagora, situated on the eastern slopes with a stunning view of the Aegean. Densely populated, Zagora consists of four districts all meeting around the square of Ag. Georgios, named after the adjacent church which is famous for its beautiful altarpiece. The square hosts the famous Public Library which houses many rare books and also has a reading room within its premises. While in Zagora pay a visit to Drakopoulou Mansion, home to the food preparation facilities of the Women's Agrotourism Cooperative of Zagora. Here nature meets tradition with thriving orchards offering abundant citrus trees, which provide the ingredients of spoon sweets, marmalades and liqueurs, the recipes for which have been handed down for generations. Why not treat yourself and those back home with some traditional handmade delicacies while you are here?

What you should know...

- Villa Iolcus has one bedroom, accommodating 2 guests. A further 2 guests can be accommodated in the living area as the three-seater sofa can be converted into a double bed
- The yard and steps are cobbled stone and therefore may be uneven in places, so take care. There's no handrail on the steps leading from the courtyard down to the decking/hot tub area
- The Villa and its grounds are surrounded by tall trees and lush vegetation, which provides shaded areas and some seclusion, although there are other properties on the mountain within fairly close proximity
