Location & Local Information

Casa Falou and the Quinta do Peru Golf Resort is located 30 minutes drive from Lisbon city and 15 minutes from the stunning beaches on the Costa da Caparica coastline. The villa is 8km from the village of Azeitao where you will find a good range of shops, a bakery, butcher and other shops.

Praia do Meco beach occupies a 4km stretch of golden sand, backed by sandy cliffs and a pine forest. The Bar do Peixe beach bar is lovely. There is an annual frisbee competition on the beach and also the location has been used for the Super Bock Super Rock Festival on several occasions. Nudists area allowed in the area south of the large dune in the middle of the beach. Lagoa de Albufeira beach is gorgeous.

Three lagoons stretch over a kilometre of the beach where three minor rivers flow into the beach. The lagoons are popular with kite or windsurfers who want to practice while the fierce waves on the beach are perfect for surfing and bodyboarding. Even in the height of summer, there is still plenty of room on the beach. Favourite beaches for families along the coastline are Praia da California and Praia do Ouro though the most beautiful is probably Praia do Creiro and Praia dos Galapinhos. You can explore the wonderful coastline by kayak, boat tour or you can take a dolphin watching boat trip.

Sesimbra is adored by the Portuguese and is famed for the freshly cooked seafood served at the family-run Marisqueira restaurants as well as the pristine beaches. The most popular dish is Arroz d Marisco, a delicious meal of shellfish, crabs and rice that is served in a clay pot and is designed to be shared. There is a wonderful fish market. As it is aimed at the Portuguese, you can immerse yourselves in the Portuguese culture in Sesimbra and it is not expensive. Sesimbra is an area of amazing and diverse natural beauty. There are fantastic, challenging hiking and biking trails through the rolling hills of the Serra da Arrabida. For the less energetic, you can take a drive through the centre of the park and enjoy the fabulous views from Estrada de Escarpa. The Cabo Espichel, a wild and exposed cliff headland, is fantastic with incredible views, a unique church, lighthouse and two sets of dinosaur footprints. The bleak headland was once an important pilgrimage destination, hence the church complex with pilgrim's accommodation.
