

Villa Lithos

Region: Rhodes Sleeps: 8

Overview

Villa Lithos is a chic retreat; a veritable masterpiece of contemporary design and architectural verve, that draws upon local materials and natural island tones for a sublime blend of original and cutting edge style.

Eight guests can be accommodated across 4 bedrooms and 3 bathrooms in sumptuously light-filled spaces. The modern garden is a slick and unpretentious affair, with an infinity pool, manicured garden with stone and concrete edging, softened by indulgent day beds, far-reaching views of the sea, elegant dining veranda and upper floor balcony. Outdoor living is executed to perfection here, whether it be a sedate morning coffee or an evening drink as the sun softens over the glistening bay.

Stepping inside, guests would be forgiven for thinking they had stepped into the glossy pages of an interiors magazine; floor-to-ceiling glass offers a natural interplay between indoor and outdoor living while palm trees sway outside in the cool breezes of the chic terrace. The interiors showcase a magnificent example of minimalist and dazzlingly pristine design, with a hint of Japanese thanks to the creamy pale timbers and futon beds to a dash of Scandinavian with low hanging lights and warm exposed wood. Airy open-plan living sets a new standard in contemporary living, while neutral tones, rattan rugs, earthy palettes and clean lines make for such serenity!

The bedrooms are simple, graceful and brimming with natural style. The raw materials speak for themselves with unpretentious elegance.

Villa Lithos is where style meets grace; elegance meets minimalism - a gem of an abode emanating the best of the Aegean seas and open vistas.
