## Overview

Book yourself a stay at the sort of place where your coffee goes cold as you stare out the window, mesmerised by the view. Finca Buceite is a grand estate hosting a whopping thirty guests across seven apartments and homes! Come stay at some of the most seductive holiday homes in all Andalucía!

Designed in typical Pueblos Blancos fashion, Finca Buceite has been refurbished from an olive mill and presents a blissful, exquisite retreat. Guests have calm, elegantly styled, self-catering accommodation in spacious apartments, among the bougainvillea-decked charm of the white mountain village of Gaucín. The estate dramatically overlooks the quiet cobbled streets of the vicinity, and across the mountains to Gibraltar and over the sea to Africa!

Guests are accommodated with the impeccable hospitality that is the standard throughout most of Spain. Seven chic, self-catering apartments, most with unbroken views down to the Mediterranean Sea, Gibraltar and the Rif mountains of North Africa, offer serene, timeless settings. Tastefully finished to reflect the Moorish influences of the region, all rooms are designed to provide guests privacy, comfort, and a sanctuary of tranquillity in this authentic Spanish town. Linked by arched doorways, shady corridors, sun-drenched terraces and leafy patios, Molino Del Carmen's luxury suites provide the perfect accommodation for today's sophisticated travellers.

Alongside a family bathroom, the double bedroom and twin single bedroom both offer en-suite bathrooms and delightful balconies!

### **Casa Carmen**

Casa Carmen is the second biggest villa on the estate. A huge living area has been set to support lounging and relaxing as well as hosting a dining table for six and a fully-furnished kitchen. Best for larger groups, the home provides two bedrooms, both with twin single beds, however, one of the rooms has an en-suite bathroom. The fully-equipped kitchen has a breakfast bar and there's even a studio/chill-out room, where you can find some solo bliss! Whilst two bedrooms, one hosting a double bed and another with twin-single beds share the use of a family bathroom, the bedrooms upstairs offer access to the magnificent balcony and the convenience of en-suite bathrooms. Choose from the double bed in the master room or twin single beds in the other room, perfect for youngsters! The terrace is set with sun loungers and portable barbecue, so you can pick to recline in the sun or dine alfresco with a grilled banquet!

Guests also have an expansive private swimming pool, which all apartments can share the use of, on the large terrace area, with its various sun loungers and parasols!

**\*\*\*In the case of group bookings, any items removed during the group's stay from one apartment and taken to another (including but not limited to cutlery, glasses, crockery, pillows, cushions etc), must be put back into the apartment from where they came. This enables quicker**

turnaround of the apartments on check out and provides that the next guests have all that they need in each apartment. If this is not done, an extra cleaning charge of €55 will be levied to cover the labour and time required to do this.
