Location & Local Information

Cape Karabo is located on what is the St Tropez of Africa, Camps Bay, one of the most exclusive and picturesque beaches in the world!

For an idyllic stroll along this world-famous coastline, starting at Bantry Beach and heading north past at least nine distinct beaches, the Sea Point Promenade is the most spectacular route winding its way through some of the country's most magnificent scenery! Lined with ice-cream shops, bars and restaurants, featuring an outdoor gym, playgrounds and the iconic lighthouse, there's plenty to be enjoyed along the way (as if the view isn't enough!)

One of the best attractions among the many of Camps Bay is the Camps Bay African Market, tucked incredibly between the mountains and the ocean, you'll find every kind of local produce here, from jewellery to traditional African curios, in the most picturesque open-air market!

The northern part of the bay is fantastic for surfing thanks to the perfect wave conditions, while the long stretch of fine white sands along the coast is ideal for games like frisbee and volleyball, or simply sunbathing! Meanwhile, thanks to this perfectly protected location in the bay the water is incredibly calm, making it perfect for paddling, swimming and spending time with the family. There's even an incredible tidal pool at the southern end, as well as a gorgeous lawn perfect for picnicking and relaxing.

And what's more, it's not just the fabulous scenery and beaches that'll make this experience – within just a short drive you can reach: Cape Town City Centre, the V&A Waterfront, Table Mountain, Lion's Head, and the Hout bay Harbour.

The iconic V&A Waterfront is a retail and entertainment area right at the foot of Table Mountain with tons of shops, restaurants, markets of all kinds and even both an Aquarium and Marine Museum. It is the starting point for almost all tours, cruises and excursions. Within a short walk of here is the Green Point market, tucked just outside the Green Point Stadium. Visit on Sundays to find locals selling all kinds of authentic arts, craft and curios – just be sure to barter, as they'll be expecting you to!

Or, if you're on the market for a unique and unforgettable dining experience, the newly revamped The Lawns At The Roundhouse, set in the forests of oak and pines at Camps Bay with a huge, atmospheric outdoor seating area, is perfect for all times of day. With a full à la carte menu from breakfast until the cocktails are flowing at the evening parties, this is an unmissable experience for the foodies of the group.

With both the Atlantic and the Indian Ocean to choose from, you'll find an inspiring selection of water-sports available all along the coastline! Surfing and kite surfing are, as you might expect, major sports in the area, thanks to the varied coastline made up of protected coves to huge open beaches with enormous waves, promising something for all levels!
