Location & Local Information

Nestled between the Atlantic Ocean and Table Mountain's Twelve Apostles, Camps Bay is a haven of idyllic scenery, thriving nature and a whole host of activities and opportunities! And Cape Bliss is located just a short distance from it all!

Right on your doorstep, literally a ten-minute walk away, is the incredible tidal pool of the bay, where you can enjoy wonderfully relaxed swimming, gazing out over the mesmerising scenery! Meanwhile, the northern part of the bay is fantastic for surfing thanks to the perfect wave conditions, while the long stretch of fine white sands along the coast is ideal for games like frisbee and volleyball, or simply sunbathing! Yet, thanks to this perfectly protected location in the bay, the water is incredibly calm, making it perfect for paddling, swimming and spending time with the family.

If it's more natural delights you're after, head over and smell the flowers of the Cape Floral Kingdom, a UNESCO World Heritage Site, at the magnificent Kirstenbosch Garden. This is a botanical garden bursting with a diverse array of plants, forest and gardens across 528 hectares, all with the most remarkable views! Take a memorable walk above the tree-tops along the Centenary Tree Canopy Walkway or even arrange to see one of the many concerts or art exhibitions that are held here year-round, or simply take a picnic and enjoy a bite to eat in the spectacular scenery.

And what's more, it's not just the fabulous scenery and beaches that'll make this experience – within just a short drive you can reach: Cape Town City Centre, the V&A Waterfront, Table Mountain, Lion's Head, and the Hout bay Harbour. The iconic V&A Waterfront is a retail and entertainment area right at the foot of Table Mountain with tons of shops, restaurants, markets of all kinds and even both an Aquarium and Marine Museum. It is the starting point for almost all tours, cruises and excursions. Within a short walk of here is the Green Point market, tucked just outside the Green Point Stadium.

Alternatively, an unforgettable day out is a trip to Robben Island, the Maximum Security Prison where political prisoners, including Nelson Mandela, were held during the apartheid. The tour begins at the V&A Waterfront and includes not only a tour of the prison itself but also meeting a former political prisoner and a tour of the 575-hectare Island which often includes sightings of penguins!

If you're on the market for a unique and unforgettable dining experience, the newly revamped The Lawns At The Roundhouse, set in the forests of oak and pines at Camps Bay with a huge, atmospheric outdoor seating area, is perfect for all times of the day. With a full à la carte menu from breakfast until the cocktails are flowing at the evening parties, this is an unmissable experience

for the foodies of the group.
