Location & Local Information

Casa Lol Beh is situated within a private gated community, which allows guests access to the semi-private beach of Soliman Bay. Ideal for relaxing in the hammocks under the palms, or strolling along the white sands, the bay is equipped with sun loungers and palapas, and doesn't experience throngs of tourists like Mexico's public beaches; making this the perfect location for a relaxing break.

The nearest town is the laid-back and beautiful Tulum, known for its tranquil atmosphere and stunning thousand year old Mayan ruins. Here guests can soak up the hippie-chic atmosphere thanks to the many jungle-shrouded vegan restaurants, yoga studios, and boutiques offering boho style trinkets and clothing. Vegan or not, Tulum is bursting with incredible restaurants; the fish tacos and freshly squeezed orange juice on offer at La Eufemia, situated right on the beach, are not to be missed - nor is the pad Thai at Mezzanine, a thai-mexican fusion restaurant overlooking the ocean that needs to be experienced to be believed. It's impossible to visit the region without experiencing one of the cenotes that are dotted about the peninsula; these gorgeous sinkholes with their rugged walls and crystal clear waters offer refreshing coolness after a day in the hot sun.
