Location & Local Information

MASON Pattaya is located near Ang Sila, an amazing community of legendary artisans and rock carvers. Angsil is famous for its 133 Year Market. The name MASON is relevant as just like stone-masons, the resort has crafted a space for guests to celebrate the area with involvement in the local community and inspirational design, making the best use of this fabulous location. Thai artists have designed various elements of the resort, and the local fishermen source the delicious seafood ingredients in the restaurant.

The resort is 1.5 hours from Bangkok Suvarnabhumi Airport and 30 minutes from Pattaya's U-Tapao Airport. The resort's beachfront location is just a short distance from Pattaya's vibrant city and the peaceful and pretty fisherman community area.

Na Jomtien Beach is a gorgeous 2.9km golden stretch of sand. Besides the privileged resorts directly situated by the beach, there are a number of beach bars, restaurants, massage, kiteboarding, windsurfing and even a few tattoo parlours. The Blue Lagoon Water Sports Club offers courses and equipment for these thrilling watersports.

Pattaya's nightlife is renowned. Revellers adore the electrified nightlife scene in the vibrant city. Pattaya has it all though, from fabulous beaches for sun-kissed tourists to unique religious treasures. You can enjoy the raw beauty of the rainforest canopy, the stunning, glistening sands as well as the glitz and glamour of the cabaret stage. The Walking Street of Pattaya is a neon blaze of entertainment with nightclubs, bars, restaurants or go-go bars lining the street and blasting out music. Food vendors and street performers flood the street to the enjoyment of guests. Tiffany's Cabaret show is spectacular and dazzling.

On the cultural side, The Sanctuary of Truth, Banglamung is a truly mesmerising sanctuary to a philosophical truth which tells the importance of religion, philosophy and art have played in development. It is an intricate, 105 metres tall, one-of-a-kind teak structure on the headland to the north of Wongamat Beach. The detail is incredible, with carvings of elephants, people and scenes, creatures and deities from mythology.
