

Villa Ginjols

Region: Alcudia Sleeps: 8

Overview

The beautiful Villa Ginjols is a quality getaway home for your stay in Northern Mallorca. Offering spaces to support leisure and comfort throughout your stay, this four-bedroom masterpiece is complete with lovely interiors and immaculate exteriors to ensure you and seven fellow guests can make the most of your escape!

Fabulously pink, the villa adopts traditional Mediterranean style in its structure. This helps punctuate the outdoor area, emboldened by the glow of the sun, so you can enjoy both the climate and the surroundings. Indoors, areas have been finished to a high-standard, and chic furnishings and décor sit in spacious areas, to present a house that is modern, yet somehow very homely and familiar.

A living and dining area sits on the ground floor, the perfect place to gather all guests after waking or before sleeping. Here sofas and settees have been placed around a fireplace and television, giving you the choice of tender evenings with conversation and flame-lit settings or unwinding with films at any time through the day! The swanky dining table fully accommodates all eight guests and sits just behind the living area, so you can dine with the beauty of the fireplace or background noise of the television. The kitchen sits comfortably past the dining area, fully-equipped, so you can make anything you could need and breakfasts can be served thanks instantly to the informal dining table in the kitchen!

The villa has been divided between two storeys with rooms on either floor so you will need to ask yourself whether you want better views or quick access to the exterior before choosing. To make a choice even easier for families and those who prefer to sleep alone, you have the choice of three rooms, each with twin beds, with two on the ground floor and one on the upper floor. The ground floor rooms share the use of a family bathroom, and all the rooms are perfect for siblings. Upstairs, guests in the master bedroom have a double bed and views of surroundings the exterior and the sea in the distance on two balconies. Both bedrooms benefit from en-suite bathrooms.

Outdoors, enjoy the festival of colours that the exterior presents. Kick-back on the gazebo, on L-shaped sofas or lay down on the lawn around it. Get right into the pool, should you require some relief from the sizzling sun or take it on, from the comfort of loungers. Finally, when you need to refuel, an alfresco

dining table makes for the perfect place to enjoy some bites!

Location & Local Information

There are many reasons to visit Spain, and we would have to write an entirely separate article to list them all. Plenty of sunshine, fantastic foods and fiestas, beaches, mountains and even Europe's only desert are just a few we've selected from the list; however, you can discover them all with a trip to the Costa del Sol!

Mallorca blesses each moment in the daytime with ample sunshine and turns up the atmosphere in the night with one of the liveliest party scenes across the globe! Alongside picture-perfect beaches and bays, guests have an island steeped in seafaring, so expect speciality seafood dishes and an array of things to do on the coast and in the water!

Your stay in Villa Ginjols sees you in a delightful, upscale area, where nature and walls provide some privacy and peace. You are a short distance from the areas of Mal Pas-Bon Aire and Cielo de Bonaire, part of the wider Port of Pollensa. A superb place to explore the wonders of the northern tip of the island, the port is popular and thus crammed with amenities, services and facilities to ensure you have complete peace of mind throughout your stay!

Spend mornings and early afternoons wandering the area for cafes and places to enjoy breakfasts with the freshest produce, before admiring the beautiful architecture throughout the region, which also gives visitors a piece of history. Grab yourself some groceries or bits and bobs to use throughout your stay at supermarkets before heading over to local open-markets in nearby Alcudia, to grab things to remind you of your holiday! The town is also great when its dinner or lunchtime, as you can stroll along the promenades or make your way into the town for a taste of authentic Spanish cuisine, or try restaurants that infuse or put a twist on classic recipes.

Can you say you've been to Mallorca if you don't visit a beach? That won't be an issue for guests at Villa Ginjols, as its placement puts it in easy access to several stretches of the seaside! Just a ten-minute drive away will see you at Alcudia Beach and a few more minutes lands you on Playa de Muro. Both beaches offer stretches of white sand shores and brilliant turquoise seas where you can kick-back on the coast with a cocktail or get right into the refreshing waters!
