Location & Local Information

Tucked right on the waterfront of Bantry Bay, Cape Arno couldn't be better placed to enjoy the stunning scenery of this world-famous stretch of coastline.

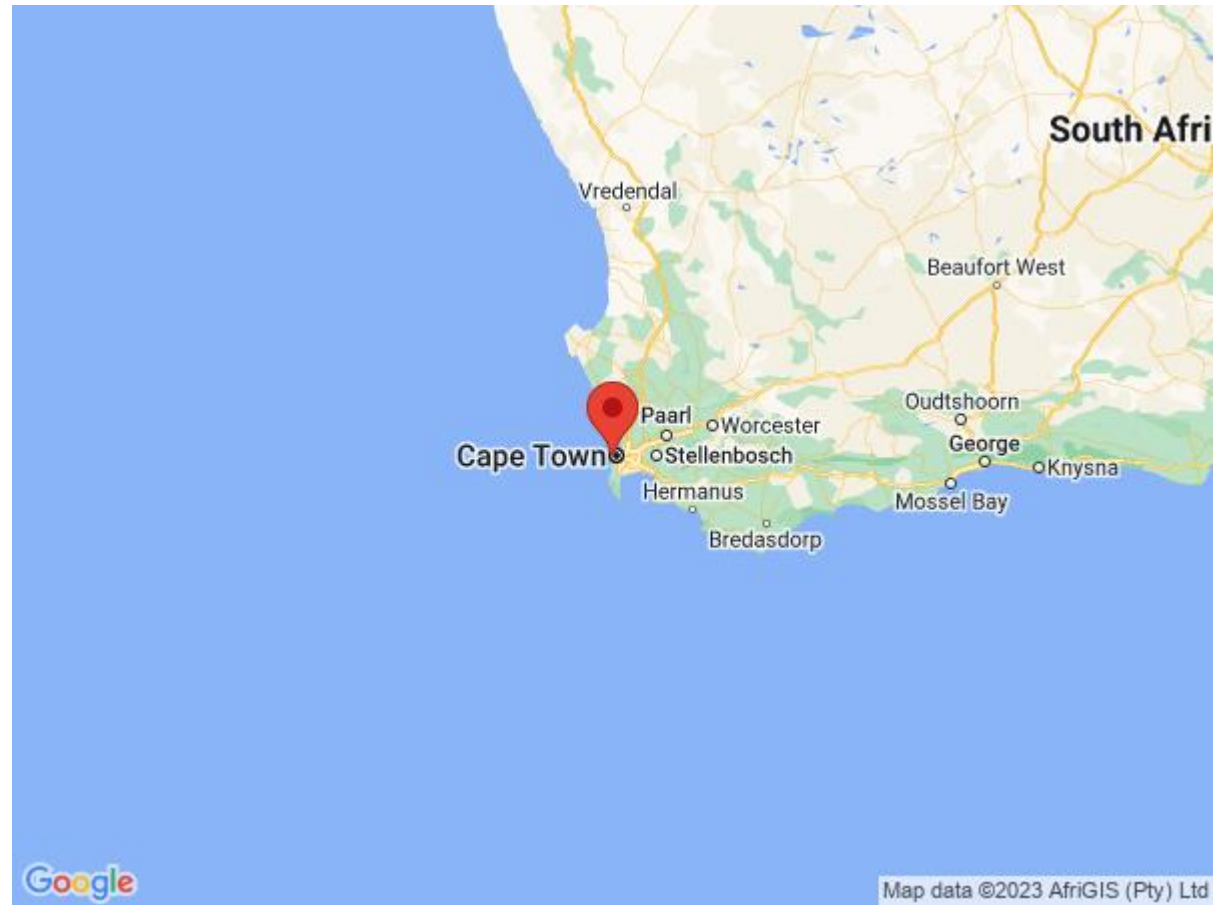

Be sure to head up Table Mountain while you're here; you can take the cable car (or a 2 to 3 hour very steep walk!) up to the top, where 2km of paths can be wandered giving you panoramic views of the city and Table Bay. There's even a restaurant up here for dining with a view! The Table Mountain National Park itself comprises several areas of interest along the peninsula, including Cape Hope and Cape Point, and is bursting with fascinating wildlife including ostriches, antelopes and baboons, and of course breath-taking scenery! What's more, the city boasts 10 Blue Flag beaches, so you're bound to find the perfect spot for you! Try out: Camps Bay, the Clifton 4th, Llandudno, Bikini, Strandfontein, Muizenberg, Fish Hoek, Mnandi, Melkbosstrand and Silwerstroomstrand for some world-class water sports and stunning sandy stretches!

One of our favourite beaches, and of the most famous of Cape Town's attractions, quite rightly, is Boulders Beach, home to a colony of thousands of African penguins! Take a stroll along the wooden boardwalks and admire them in their natural habit, taking a swim in the cold waters or huddling together, all with the backdrop of the stunning ocean and mountainous landscape.

Undoubtedly one of Cape Town's best-known attractions, the iconic V&A Waterfront is a retail and entertainment area right at the foot of Table Mountain with tons of shops, restaurants, markets of all kinds and even both an Aquarium and Marine Museum. It is the starting point for almost all tours, cruises and excursions. Within a short walk of here is the Green Point market, tucked just outside the Green Point Stadium. Visit on Sundays to find locals selling all kinds of authentic arts, craft and curios.
