Location & Local Information

Nestled within walking distance of the Clifton beaches and the world-famous Sea Point Promenade, Cape Oratile is a fabulously located apartment for enjoying the highlights of a stay in Cape Town!

The region of Bantry Bay is known to be the most wind-free area in Cape Town, with about 290 wind-free days per year and the most secluded and protected beaches. Tucked on the slopes of the Lion's Head, it is perched on the rugged rocky coastline just minutes from Sea Point, Clifton and Saunders Rocks.

For an idyllic stroll along this world-famous coastline, starting at Bantry Beach and heading north past at least nine distinct beaches, the Sea Point Promenade is the most spectacular route winding its way through some of the country's most magnificent scenery! Lined with ice-cream shops, bars and restaurants, featuring an outdoor gym, playgrounds and the iconic lighthouse, there's plenty to be enjoyed along the way (as if the view isn't enough!)

One of the best attractions among the many of nearby Camps Bay is the Camps Bay African Market, tucked incredibly between the mountains and the ocean, you'll find every kind of local produce here, from jewellery to traditional African curios, in the most picturesque open-air market!

And with both the Atlantic and the Indian Ocean to choose from, you'll find an inspiring selection of water-sports available all along the coastline! Surfing and kitesurfing are, as you might expect, major sports in the area, thanks to the varied coastline made up of protected coves to huge open beaches with enormous waves, promising something for all levels!
