Region: Cape Town **Sleeps: 6**

Overview

A glamorous, ultra-stylish home designed by internationally renowned architects, Cape Bhekani is an utterly unique villa with a superb pool terrace overlooking the ocean!

These sophisticated interiors ooze designer luxury in every detail. The lounge offers a varied and beautiful seating area, with several seats and a large sofa perfect for gathering together and chatting, or even stealing a moment to yourself with a good book or the TV. Or for getting the party started to head into your majestic bar with more comfortable seating and a most exclusive, opulent atmosphere. There's a superb dining area set amid a deluxe environment of wood and delightful lighting, and of course a huge kitchen which embodies the same super-modern style. The openness of the design makes for an enchanting fusion of interior and exterior spaces, with a sense of flowing out onto the pool terrace!

All three extraordinary bedrooms enjoy breath-taking sea-views as well as a set up of casual sofas and chairs from which to enjoy them – or else to simply relax in the comfort and privacy of your own room. Occupying the entire top floor is the master suite penthouse, with a huge king-size bed to one side, as well as a lovely lounge, an office and even a walk-in wardrobe. From here you also have your very own balcony with ocean views! Meanwhile, the remaining two bedrooms can be found on the lower floor. Both enjoy a double bed and a TV, and one also features a balcony looking out over the ocean. All three feature ensuite bathrooms, including both a freestanding bathtub and walk-in shower in two, and a large shower in the final double room.

And finally, you can enjoy a delightful garden on either side of this villa. Towards the sea is your immense pool terrace. A wonderful infinity pool invites you to spend a little time in the sunshine, perhaps sunbathing on these lovely loungers alongside it, before cooling off and feeling revitalised in its refreshing depths. Beside it there are several sofas and chairs, some shaded and some out in the dazzling sun. Kick back in these plush sofas and admire the striking colours of sunset dancing across the sea and on the shimmering surface of the sea as you enjoy a cocktail! Meanwhile, towards the back of the villa in an enchanting courtyard, you can sit among this rich and fragrant garden and enjoy memorable meal-times with friends at this alfresco dining area.

It is the starting point for almost all tours, cruises and excursions. Within a short walk of here is the Green Point market, tucked just outside the Green Point Stadium. Visit on Sundays to find locals selling all kinds of authentic arts, craft and curios to take home!

One of the many tours starting from the V&A Waterfront is an unforgettable day out is a trip to Robben Island, the Maximum Security Prison where political prisoners, including Nelson Mandela, were held during the apartheid.
