Location & Local Information

Tucked in the famous wine valley of Constantia, Cape Nelius is within minutes of some of the oldest vineyards in the southern hemisphere, and yet still just a 20-minute drive away from Cape Town city centre, making this is a perfect location for all!

If you're a fan of wine you already know South Africa is unmissable – what you might not know is that the Constantia Valley is the oldest winemaking region in the southern hemisphere, with some estates dating back to 1685! In this exquisite valley, you will find not only vineyards but also countless excellent restaurants to enjoy along the way! As well as wine, Cape Town and its surrounding region are major fruit producers, and you can enjoy some of the freshest, most delicious fruits around here. As you'd expect, there is also tons of seafood, including yellowtail, cape salmon and kingklip, which are absolutely delicious.

Aside from food, another absolute highlight of the region is, of course, Table Mountain. You can either take the cable car up to the top or enjoy a 2-3 hour steep hike through stunning scenery. When you reach the top there are 2km of paths to be wandered, all giving you panoramic views of the city and Table Bay. There's even a restaurant up here for dining with a view! The Table Mountain National Park itself comprises several areas of interest along the peninsula, including Cape Hope and Cape Point, and is bursting with fascinating wildlife including ostriches, antelopes and baboons, and of course breath-taking scenery!

With both the Atlantic and the Indian Ocean to choose from, you'll find an inspiring selection of water-sports available all along the coastline! Surfing and kite surfing are major sports in the area, thanks to the varied coastline made up of protected coves to huge open beaches with enormous waves, promising something for all levels!

An unforgettable day out is a trip to Robben Island, the Maximum Security Prison where political prisoners, including Nelson Mandela, were held during the apartheid. The tour begins at the V&A Waterfront and includes not only a tour of the prison itself but also meeting a former political prisoner and a tour of the 575-hectare Island which often includes sightings of penguins!
