The entire villa has a sense of connection, with sliding and folding doors that can connect or divide each living space at your choosing. The bedroom and lounge are framed with glass doors, opening elegantly to diminish any barrier between the interior and exterior, allowing you to amble in and out with ease. The bedroom itself feels spacious, with the bed positioned right in the centre of the room, with a clear view of the ocean. You can enjoy lazy mornings with a cup of coffee, your best book and only the ever-changing landscape of the sea to distract you. Designed with plenty of storage and a private bathroom equipped with a rain shower and bathtub, you will feel at home in no time, so much so we imagine you will never want to leave!

Stepping through into the lounge, comfortable sofas and chairs have been arranged to make the most of the views. Wood panelled walls and soft furnishings create a soft, warm feel to the modern space, encouraging you to rest and restore, putting your feet up as you relax. The lounge is furnished with a DVD player, cable TV and a complimentary mini bar.

The star of the show has to be the terrace and pool, poised above the sparkling sea. The large terrace wraps around the pool, with sun loungers for you to relax in the day and comfortable seats where you can enjoy a cocktail in the evening. The rippling surface of the pool invites you to hop in and out, soothing your muscles and easing into a state of complete relaxation.
