The villa is only 15 minutes from the heady Ibiza Town.

Ibiza is such a fantastic destination. While the cream of the world's DJ's such as Sven Vath and David Guetta takes up residence, making it the ultimate destination for clubbers, the island oozes its quiet essential bohemian spirit and entrances guests with its pine-clad hills, its hidden hamlets, its spectacular beaches and crystal-clear, dazzling turquoise waters, its hushed churches and historical monuments and its sparkling salt pans and hot-pink flocks of migrating flamingoes of the stunning Parc Natural de Ses Salines nature reserve. Ibiza really does have it all!

Casa Pastor will fill you with delight. This sugar-cubed, dazzling white and stone contemporary masterpiece is simply astounding. So much thought and creativity have been put into every single aspect. It is hard to say whether the natural beauty of the stunning, uninterrupted, panoramic views surpass or if the beauty of the villa does. Certainly, the views from the numerous terraces and balconies are unrivalled. The stunning exterior is built on several levels with a fabulous infinity swimming pool surrounded by deluxe single and double sun loungers on different decks. There is a range of beautiful, upmarket, sumptuous outdoor lounge furniture under canopies, beneath ancient olive trees and beside the pool.

The chill-out area is very special, taking full advantage of the spectacular views. The garden is outstanding with luscious lawns and colourful, captivating planting, much of which is landscaped with clever architectural design. The covered alfresco dining area is atmospheric and stunning. There are even contemporary architectural sculptures to draw your eye. The villa is fully fenced, so it is supremely private and secluded. There is plenty of parking for cars to the side of the villa.

The living areas of Casa Pastor are furnished to an incredibly high standard. The open plan living room is divided over two levels providing two relaxation

areas. The design is sublime with 50's and 70's vintage style blending perfectly and in harmony with the modern architecture. Natural daylight floods the room through the floor to ceiling windows which can be opened to give a feeling of outdoor living. Throughout the villa, incredible artworks will catch your eye as will the ultra-cool carved room dividers. The colour schemes are cool and groovy; this villa is so on point! The dining table is incredible. The kitchen is immaculate and features an enormous fridge and everything else you would wish for. There are a useful study and a small guest bathroom for convenience. All of the rooms in this remarkable villa have access to several terraces and enjoy the splendid views.

Guests are thoroughly spoilt with the incredible bedrooms suites. The astonishing master suite boasts a double bedroom, a wonderful lounge area, a huge private terrace with first-class outdoor furnishings, fabulous wardrobes and a pristine, wondrous ensuite bathroom with a contemporary freestanding bath to soak and relax. Bedroom 2 boasts a double bedroom, terrace access, a separate chill-out area, incredible sea views and another beautiful ensuite bathroom. Bedroom 3 is similar to a lounge area and access to the pool terrace. Double bedroom 4 has another immaculate, modern bathroom and bedroom 5 has a large double bedroom, lounge area, an ensuite bathroom and access to a private outdoor area with a hammock and sun loungers amongst olive trees. Everything in this villa is like a work of art; the designers should be very proud!

The villa also benefits from a Sonos sound system and air conditioning throughout. To spoil you further, the housekeeper is very happy to prepare your breakfast every day! What bliss!
