

Casa Castell

Region: Es Cubells Sleeps: 7

Overview

The bohemian vibe running throughout this modernist fortress is super cool. Casa Castell occupies a fabulous hillside vantage point, a short walk away from the pretty village of Es Cubells. The villa is intriguing, beautiful and hippy chic. With three outstanding, atmospheric bedrooms Casa Castell sleeps up to 7 guests.

The hamlet of Es Cubells is Ibiza's southernmost village. Despite its tiny size, the special clifftop location affords this village a unique charm and the most spectacular sea views. The origins of the clifftop church date back to the nineteenth century. There are some gorgeous beaches close by including Cala des Cubells, Ses Bouquets and Cala Llentrisca and a little further away Es Torrent, Porroig and Cala Jondal. Es Cubells is the start of Ibiza's prestigious 'golden mile' which runs to Porroig. It is a much sought after destination.

Casa Castell looks like an imposing modern fortress with magnificent double-height windows and warming honey-coloured stone and render. It is seriously impressive. The plot is fantastic with huge lawns, a rustic flagged terrace and lush, tree-filled gardens. Behind the villa, dark forests of fragrant pines creep up the craggy hillsides, and in front, there are breathtaking stretches of shimmering Mediterranean sea. Quality sun loungers and daybeds deck the grassy banks of lawn surrounding the pool together with mature trees offering some dappled shade. You can relax poolside under the shady canopy of the gazebo or soak up the glorious Ibizan sunshine, topping up your tan. You certainly feel away from it all at this secluded, private villa.

The raised terrace is home to a relaxed dining and lounge scene with colourful seating arrangements. A second alfresco dining space is located alongside the kitchen, to the side of the villa. There are low cushions and lots of options for lazing and admiring the splendid views.

The striking living space is double-height and open plan. The room glows with the warm tones of the walls and accessories. There is a fabulous, rustic dining table and a well-equipped kitchen. Upstairs, the bohemian vibe continues though into the three bedrooms. The master suite boasts a feature bathroom, a fireplace, kingsize bed and two terraces. The second double also benefits from a private terrace and ensuite bathroom. It has a queen-size bed and it very charming. The third bedrooms offer twin beds, a private terrace, ensuite

bathroom and a lounge area with a daybed that could accommodate an extra person if desired.

Casa Castell is certainly a little different from your average contemporary villa. It oozes warm and happy vibes with its bohemian charm.
