## Location & Local Information

Casa Romani is located in a tranquil hillside spot in the residential area of Serra Brava with stunning sea views. The villa is located only 15 minutes' drive away from the Old Town of Tossa de Mar, 10-minutes from the lively streets of Lloret de Mar and the sandy shores of Cala Canyelles Beach are close at hand. You can even reach the stunning city of Barcelona in a little over an hour, taking a day to explore the unique architecture and rich culture of the city!

Cala Canyelles is characteristic of the Costa Brava coastline. The beach offers a picturesque stretch of coarse white sand with clear sea water where you can swim safely. There are umbrellas and deck chairs to rent as well as the opportunity to hire pedal boats, parasailing, water-skiing and canoeing – adding a little adventure into your day at the seaside! A highlight of this beach has to be the beachfront restaurant. Popular with visitors, the restaurant serves Mediterranean classics, with plenty of fish and fresh paellas on offer for you to choose from.

Girona and the Costa Brava are renowned for their rich history, wonderful food and joyful music, so everywhere around Casa Romani you can enjoy this varied culture. Whether this is your first visit to the Costa Brava, or you have been many times before, there is always something new to see and explore. In the summer months, the neighbouring towns of Lloret de Mar and Tossa de Mar come alive with music events and festivities, whilst the winter offers a quieter ambience.

Lloret de Mar, found 4.5km from Casa Romani is an energetic seaside town. It boasts beautiful family-friendly beaches, a strip of beachfront restaurants, theatres, music venues and lively bars! Popular with younger crowds in the evening, the atmosphere is not to be missed, with the sound of Spanish guitar echoing through the streets and the bustle of crowds in the squares. Frequenting for its large water park, Lloret de Mar is busy by day and night alike, with its blue-flag beaches busy in throughout the summer.

Tossa de Mar offers a slightly quieter atmosphere than its lively neighbour. Located 7km from the villa, we would highly recommend an afternoon exploring the Medieval town walls and ambling around the narrow-cobbled streets!
