

Can Sandal

Region: Calpe **Sleeps:** 6

Overview

There is something special about this beautiful villa; be it the gently curving walls, serene interiors, or elegant furnishings, an air of relaxation shrouds the entire place. Located in between Calpe and Moraira, just a 15-minute walk from the beach on the pristine Costa Blanca coastline, you can expect clear blue skies, crystal-clear beaches and an endless supply of delicious Spanish food and wine! A real retreat away, with three bedrooms accommodating six guests, Can Sandal is the perfect getaway.

As you arrive, a generous driveway wraps around the front of the villa. The architecture is simple: white walls, elegant stairways and curving walls that draw you around to the back of the property, where you can climb a flight of stairs to the picturesque pool terrace. Stairs at the front of the villa lead to the main house, which is distributed over one spacious floor. Bright and modern, the main living space is open plan, meticulously designed to offer a sophisticated aesthetic. White walls, worktops, chairs and ceilings combine with the soft wooden details of exposed beams, cupboard doors and coffee tables, bringing warmth to the bright space.

The chic kitchen is fully equipped and is a real joy to cook in as you chatter with your loved ones, who can spread out along the sleek breakfast bar. Opposite, a stylish sofa sits poised in front of the television, creating a cosy nook for you to curl up in at the end of a busy day. Our favourite space in the villa is the adjacent round dining area, where the modern dining table sits within the villa's curving walls with exposed beams overhead, highlighting the dome of the ceiling. Perfect for quiet family meals and lively celebrations alike, this tranquil space makes every night feel like a special occasion!

There are three bedrooms all on the same floor: the main suite, a double room and a twin bedroom. Simple and modern, the bedrooms adopt the same bright styles as the rest of the villa, with contemporary bathrooms to complement. At the back of the villa, you will find the private swimming pool with its surrounding sun loungers and an elegant pergola with a dining table where you can sit and relax for hours. Views drift out across the adjacent neighbourhood, with luscious trees and splashes of reds, yellows and purples from the beautiful surrounding nature. A couple of other dining areas can be found around the villa, offering plenty of seating if you want to spread out and find your own quiet corner.

Location & Local Information

Located in a quiet residential area, Can Sandal offers an idyllic base for exploring the beautiful Costa Blanca coastline. Just a 15-minute walk from the beautiful La Fustera Beach, you can explore the area on foot, soaking in the tranquil atmosphere with every step you take!

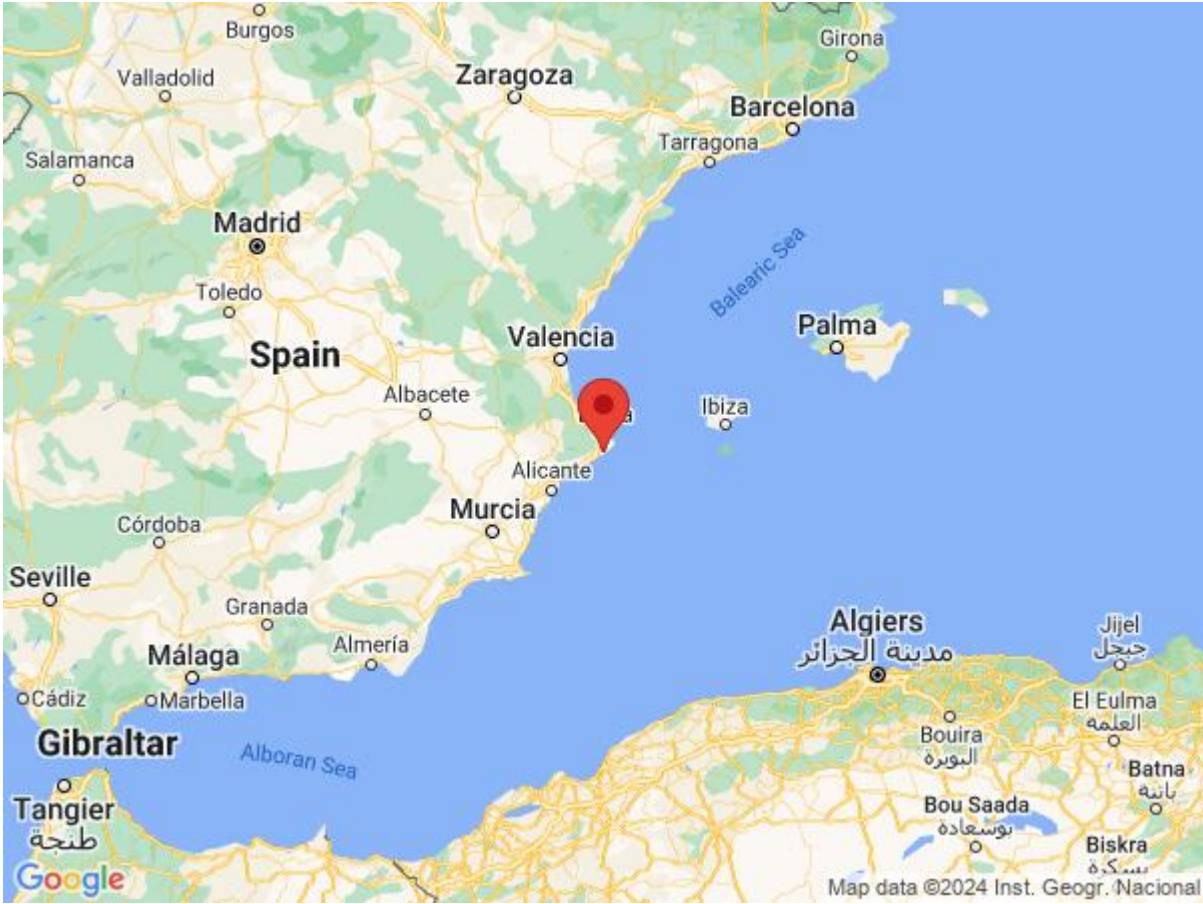

The villa itself offers views of the surrounding neighbourhood, although it feels private enough when you're swimming in the pool and relaxing on the terrace. It is close to a supermarket, service station and restaurants, and of course, Playa La Fustera is only a little further ahead. La Fustera is a charming, little sandy beach with crystal-clear seawater, typical of the pristine Costa Blanca. A little quieter than some of the surrounding beaches, La Fustera is fabulous for families and couples alike, offering a little tranquillity to enjoy the stunning surroundings. There is a lovely beach bar/restaurant, and the beach has toilets and some nearby coastal paths for you to explore. On top of the beach restaurants, the area offers a handful of local eateries serving traditional Mediterranean dishes, best complemented with a delicious glass or two of chilled Spanish wine.

Stretching 200 kilometres up the Mediterranean, there are plenty more beaches, towns and attractions for you to discover in the Costa Blanca. Many of the beaches hold EEC blue flags because they are so clean, safe and accessible. It has also become a popular holiday spot because of its temperate climate, offering long, hot summers and short, mild winters.

From the villa, you can walk along the coastal paths towards Calpe. It's a brilliant day activity, and you will be rewarded with some of the best views in the Costa Blanca! Make sure you take plenty of water and your swim stuff so you can enjoy a refreshing dip at the end. For those who prefer this style of more active relaxation, there are plenty of boat trips, water sports and adventurous activities on offer around the area. The Ifach Golf Club is also just 8 kilometres away – so why not pack your golf clubs?
