Location & Local Information

In the hills of Le Marche, only 18km to the sandy shores of the Adriatic, Monte Varmine enjoys a wonderful position close to both historic villages and beautiful beaches.

Within just 2km is the nearest restaurant, a traditional *agriturismo* serving typical regional cuisine. Drive a little further to the nearby village, 6.5km by car, with its restaurant, supermarket (closed on Sundays), two café-bars (make sure you try the *gelato!*) as well as other shops including a pharmacy. The perched village itself is a delight – wander around and discover its 15th century passage-ways, the enchanting citadel and beautiful churches with incredible paintings. To learn more about the ancient history of this idyllic village, visit the archaeological museum in the town hall.

Two more of Le Marche's prettiest villages are also within a short drive. Offida (16km) is classified as a *Borgo Più Bello d'Italia* and is especially great for wine-lovers as it is in the heart of the Piceno wine region. Ripatransone (15km) is another historic gem boasting one of Italy's narrowest lanes.

Within a 20-minute drive you can reach the sea at Cupra Marittima (18km), a lovely seaside town with historic sights and a great beach. Hire bikes and follow the new cycling trail south to Grottammare - once there, visit the historic village perched on the hillside looking over the glorious beach. San Benedetto del Tronto (26km) is also great for families with its palm-backed beaches, lidos and watersports or discover the wilder beaches near the Riserva Naturale Regionale Sentina. This stretch of coastline, easily accessible from your villa, is known as the Riviera delle Palme.

For hiking, mountain biking and spectacular scenery drive to the Sibillini Mountains, around an hour away, or find horse-riding in beautiful surroundings a little closer to home with stables around 20 minutes away.

Not forgetting some of Le Marche's most famous and historic towns such as Fermo (27km) with its outdoor summer markets and music festivals and Ascoli Piceno (45km), well-known for its grand square, Piazza del Popolo, and excellent wines.
