Location & Local Information

Palacio Santa Cristina is located in Extremadura, just two and a half hours by car from Madrid, Seville or Lisbon and just a few minutes from Cáceres and Trujillo. Surrounded by nature, in a meadow of oak trees, it offers a real escape from the hustle and bustle of city life; an oasis of tranquillity. It is the main house of the vast 750-hectare Finca Las Alberguerías, with its idyllic setting and privileged location making it the ideal place for weddings and all kinds of events.

For guests, there is very good access, with a decent road leading to the entire way to the property. It also has a large parking area, with plenty of room for large celebrations.

The nearby town of Trujillo has been described as Spain's most romantic village! The village is characterised by the Castillo, a medieval stone fortress which sits strikingly atop a hill overlooking the town centre. An escape from the busy tourist towns of Spain, Trujillo gives you a tranquil insight into Spanish life without the constant stream of tourists. Trujillo's Plaza Mayor, the main square is beautiful, with a huge statue of the Spanish conquistador Francisco Pizarro and a myriad of local eateries where you can taste some classic local dishes. A leisurely twenty-minute walk from the town centre will take you to the gorgeous hill-top castle, Trujillo's pride and joy. You can go inside and climb up the tower, but the most impressive aspect must be the stunning views from the castle grounds, stretching out over the village and the Extremaduran countryside.

Cáceres is equally described as one of Spain's most beautiful cities. Relatively untouched since its 16th-century splendour, narrow cobbled streets twist and wind among ancient defensive stone walls so you can amble and wonder for hours, getting lost in the charm and romance of the city. The charming streets are lined with palaces, mansions, arches and churches, while the cityscape is decorated with turrets, spires, gargoyles and storks' nests. The historic Old Town is in fact listed on the Unesco World Heritage list, for outstanding universal value and cannot be missed when you are staying nearby.
