Location & Local Information

Villa Duce is located only 270 meters from the sandy beach in Duce, perfectly positioned to enjoy the very best the Dalmatian coastline has to offer! Perched on the hillside, with a panorama of stunning sea views stretching out in front, this really is an escape from the world. The only interruption from the views is the pretty array of terracotta rooftops that guide your gaze towards the blue-azure of the sea. An idyllic spot for relaxing and recharging, you can enjoy quality time with your loved ones, with complete privacy during your stay. All you need is in walking distance, with a minimarket, bakery, a restaurant and a bar all a short stroll away.

There are very few sandy beaches in Croatia, so having one a short walk from your front door is a real bonus. Popular with families, this safe, tranquil shore is perfect for a relaxing day in the sand, with calm waters where you can swim and snorkel. As the evening approaches, we highly recommend you pick one of the picturesque beach bars for a cool glass of wine or a refreshing cocktail, starting your evening off in style! Duce itself is a great location, with a plethora of restaurants, bars and shops for you to choose from.

For those who love the outdoors, a day trip to the Krka national park is highly recommended. A UNESCO world heritage site and boasts amazing sites like the Skradinski waterfalls, or Visovac Monastery, all just a 90-minute drive from the villa. The waterfalls are exceptional, with crystal-clear water cascading down rocky outcrops, forming large pools where you can take a refreshing dip! With plenty of walking paths and cycling routes, you can explore on your own or with a guide, perfect for a day trip during your holiday.

A little closer to home, Omis is the nearest town to the villa, just a 5-minute drive away. Offering a rich history, the town is a must-visit. In August Omis hosts an annual pirate festival, with re-enactments, singing and street performances making for a really fun experience for groups of all ages. Some wonderful walks are taking you around to explore the Venetian fortress and 17th-century church, as well as the stunning views that stretch out from an array of viewpoints.
