# Location & Local Information

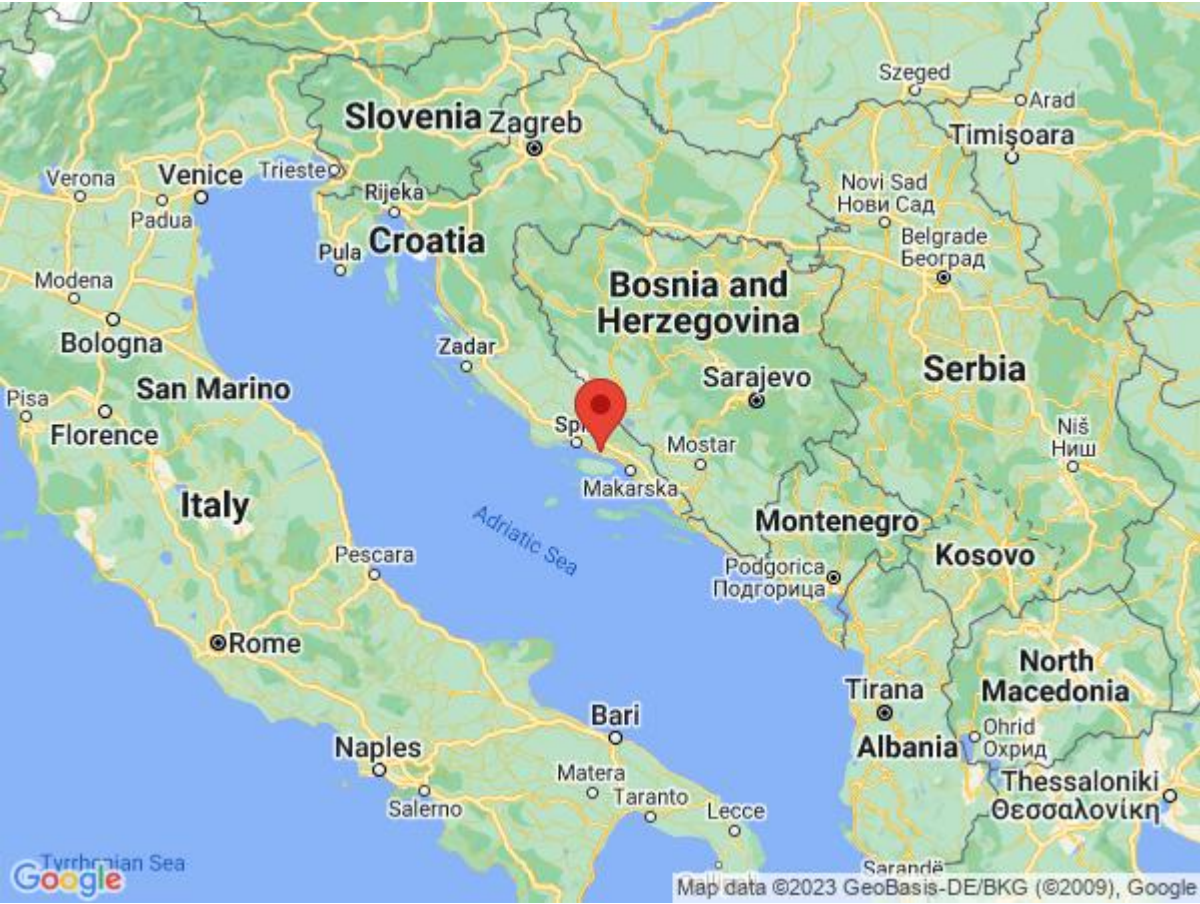

Located at the mouth of the Cetina River, Omis has much to offer. The Old Town is very attractive and the main attraction. You can certainly get some exercise visiting the Fortress Mirabella with its many stairs and also Fortress Starigrad. It is roughly an hour's climb to the peak of the mountain behind Omis to visit this 15th-century fortress. It is also known as Fortica Fortress. There is a pretty walking trail close to the villa to the fortress. The Omis Summer Festival is great fun with capella singing in the churches and squares around the town. Velika Plaza is a 700m long sandy beach in the centre of the town with a playground, volleyball, football and windsurfing. Slavinj and Brzet Beaches are pebble beaches 10 minutes from the centre. Camp Galeb Beach is on the way towards Split and is gorgeous.

The Cetina river is very dramatic and is the place for thrilling adventures! Its enthralling attractions include zip lining across the canyon, kayaking, rafting in the rapids and paragliding. It is a total dream for anyone adventurous and courageous. This phenomenal canyon with its lush, sensational scenery is a wonderful day out.

Not far away is the gorgeous town of Split. You can take a walking tour or segway tour to discover the historical attractions such as the Golden Gate, the Diocletian's Palace and Saint Domnius Cathedral. The Diocletian's Palace was built in 305AD and is probably the most famous attraction of Split. The Old Town is a maze of streets and cobblestoned lanes. People's Square is at heart, brimming with cafes and restaurants. It is also trendy to stroll along the riva. With its palm trees and colourful buildings, it is very pretty. You can take trips to the beautiful Hvar and Brac islands.

Makarska is extremely popular for its nature park, nightlife, harbour, beach, shopping and dining in the restaurants and cafes in Kacic Square. The Baroque Church of St Mark overlooks the square. There is a daily open-air market selling fruit and vegetables. The harbour is very attractive, again with many restaurants, and offers day trips to Jelsa on Hvar and Zlatni Rat Beach in Bol on Brac. Punta Rata, on the edge of Brela, is ideal for families as the seabed slopes gently into a shallow sea. The Makaska Riviera is 38 miles long, running from Brela in the north to Gradac in the south.

You may also want to visit the stunning Trogir on its own tiny island, Sinj, Imotski and Vrgorac.
