Location & Local Information

Villa Solemar is located in the immensely popular town of Podstrana. The famous Old Town of Split is 8km to the west, and the historic, pretty town of Omis and the magical Cetina river are 15km to the east. It is a perfect location for a holiday packed with adventure, stunning scenery, gastronomic delights and relaxation.

Active guests will be delighted with the golf and tennis just 4km from the villa, the watersports available, hiking, biking and all sorts of thrilling activities on the Cetina river.

Split is a seafront gem combining honeycombs of intricate historical buildings such as the Diocletian's Palace with a cosmopolitan, palm-lined promenade offering tourists a fabulous experience. The atmospheric, narrow streets are brimming with dramatic monuments, charming restaurants, cafes, bars and a good variety of shops. It has a laid-back vibe though it buzzes with happy visitors. The main city beach, Bacvice, is both a perfect place to relax during the day and a popular night-time jaunt in the evening. You can easily take trips to the stunning islands of Hvar, Vis and Brac from Split. Popular with the rich and famous, Hvar is glitzy and boasts a marina full of luxury yachts. Brac is beautiful and home to the famous Zlatni Rat Beach at Bol which adorns most Croatian holiday posters. Vis is a gorgeous, remote, craggy island with a laid-back rural vibe.

Omis is known as the City of Pirates, situated at the mouth of the Cetina river. Omis is home to many churches, the 13th-century Fortress Mirabella and the 15th-century Fortress Starigrad as well as many fabulous restaurants serving fresh, locally caught fish and smoked ham and a good selection of shops. The Klapa Festival in summer is such fun with capella singing in churches and squares in the old town.

Flowing from the Dinara mountains, the Cetina river is action-packed with an awesome zipline, canyoning, river tubing, rafting and kayaking. You can even rent see-through kayaks so that when you are paddling down the river, you can explore flora and fauna. Thrilling rafting takes place in the northern part of the river where there are exciting rapids and challenging waterfalls to descend. White water rafting takes place in a section of 10km starting north of Kucice and passes one of the prettiest beaches, Stuzica. The rafting ends in the village of Blato na Cetini which is a great lunch stop. Canyoning is not for the faint-hearted! Expert guides will help adventurous guests plunge into newly discovered rocky areas and clear waters, swim underneath powerful waterfalls, flow down naturally formed chutes and jump into emerald pools. The very bravest can abseil down the 56m high Gubavica waterfall, providing the most exhilarating and unforgettable experience.

Not too far away is another gem, Trogir. This wonderful walled city boasts historical buildings such as the Cipiko Palaces and St. Lawrence Cathedral. In the evening everyone leaves the knotted, maze-like, marble streets and gravitates to the graceful, promenade lined with cafes, bars, restaurants and luxury yachts.
