

Calero Bay

Region: Puerto Calero **Sleeps: 4 - 8**

Overview

Calero Bay offers its lucky guests every comfort in a splendid natural volcanic setting, on the hill side of Puerto Calero with stunning view over the marina. Villa Calero Bay combines modern design with stylish surroundings and offers endless possibilities for your family or group to holiday on Lanzarote. These newly build villas are located in an excellent location and offer excellent extras facilities for all the family like billiard, football table, darts, table tennis, sauna and heated pool whilst comfortably accommodating up to 8 persons in two separate connected villas.

The villas are linked via a shared access hallway and consist of fully equipped modern kitchen, lounge/dining area, 2 x double bedrooms, 1x full bathroom and 1 x WC. There is also an exterior WC which is convenient for when guests are outdoors by the pool or in the games room. The ceiling cooling system and underfloor heating ensure a pleasant room atmosphere throughout the year without any noise or draught. All windows are well insulated and equipped with mosquito netting. Both the indoor and outdoor space of the villa are fully wheelchair accessible. You will be able to enjoy many hours on the wind-protected patios on cooler evenings.

A heated outdoor pool and a separate games room provide hours of entertainment and relaxation during your stay. The furnished terraces are perfect for al fresco dining and admiring the views of the surrounding area. The villa buildings may be booked separately (up to 4 persons) or jointly (5 persons and more). If you decide to book only one villa, then the other villa will of course not be available to anybody else during your stay. You will, in any case, have sole access to the private swimming pool, grounds and recreation room.

Calero Bay is situated in the charming village of Puerto Calero on the South-Eastern part of the island. The village centre, which runs along the harbour, can be reached from the villa by foot in around 5 minutes. Here you can indulge at one of the many Canarian restaurants or just enjoy the view onto the little harbour village from your patio. Everyday items may be purchased at the nearby harbour (supermarket, pharmacy, clothing boutiques...). If you are looking to do sports, the nearby Sports Club in Puerto Calero should meet all your requirements.

Location & Local Information

The island of Lanzarote captivates with its diversity in landscape, culinary exploits and leisure activities, as well as the year-round pleasant, warm climate. From the villa Vista Calero, you can access beaches and swimming points by car within minutes. Whether you prefer to listen to the sounds of the sea on sand beaches, pebble beaches or rocks - Lanzarote offers everything. The breath-taking volcanic landscape is best explored on foot or bike. Furthermore, there are numerous opportunities for sports and cultural activities. How about a submarine trip, a concert in a volcanic auditorium or a wine tasting? We are very happy to assist you in planning unforgettable days on Lanzarote with exceptional trips and activities.

Puerto Calero is the first marina that was built on the island of Lanzarote. In 1986, the work began, and with time the port became one of the most exclusive ports nationally. While there are many areas of the island that can be found massively touristy, Puerto Calero keeps its calm that has always characterized it.

There are many activities to do in Puerto Calero. Without a doubt, you can explore the maritime environment and enjoy the delicious cuisine of the island. Stroll between luxury shops and dreamy yachts. Do not forget your camera! Even the moored boats are spectacular. Pay attention to every detail.

In addition, in the Marina of Puerto Calero it is common to find international events, and the luxurious facilities and its exclusive environment attract companies from all over the world.
