The richly historic Zadar is stunning. Visitors enjoy the natural phenomenon of two equally beautiful and yet so different blues, the beautiful, crystal clear Adriatic and its Vrana Lake with its ornithological reserve. Zadar's renowned sunsets are spectacular and to celebrate them, a 'Monument to the Sun' was built on the edge of the waterfront. It is an all day 22 metre disc which soaks up the solar rays ready to dazzle visitors with coloured light patterns as night falls. The Sea Organ is an art installation formed by cleverly cutting steps into the promenade. The underwater pipes make musical sounds as if each wave is sighing! You must visit!

Two of the most famous national parks of Croatia are within easy reach of Villa Doria. The breathtaking Kornati Archipelago National Park has so many reefs, headlands, islands and bays. It is so stunning to visit on a boat with plenty of opportunity to swim and snorkel. The second national park is the famous Krka National Park with its stunning Skradinski Buk and Roski Slap waterfalls. Extending along the 73km Krka River, the park runs from the Adriatic near Sibenik inland to the mountains of the Croatian interior. It is a magical place of gorges and waterfalls, with the river gushing through. Visitors take a boat ride to explore the park. Don't forget your swimming costumes as you can swim below the waterfalls as well as enjoying the wooden promenade walk. You will also pass by the magnificent Visovac monastery, located on an island in a magical setting.

Vodice, south of Turanj enjoys many cafes, restaurants and. If you are interested in the heritage of Vodice, you might want to visit the lovely Church of the St. Cross which was built in 1746 or the Church of Our Lady of Carmel.

Sibenik is the city of fortresses with two UNESCO heritage sites, Game of Thrones locations, beautiful beaches, an excellent dining scene and a gorgeous old town. Sibenik was first mentioned in 1066 though most of it was built during the Venetian rule between 1412 and 1797. St James Cathedral is a beautiful masterpiece of Venetian art built in the 15th century. The town's fortresses include St John's Fortress, Fortress Barone, St Michael's, the oldest and most famous and the scene of many summer performances and festivals and St Nicholas. St Nicholas is reached via an official boat tour from Riva which includes a boat ride through St Anthony's channel. It is another Game of Thrones location.
