## Location & Local Information

Situated in Bangkok, the capital of Thailand, Mae Nam Suite sits on a secluded road allowing for additional privacy. With a wealth of vastly contrasting activities, dining and refreshments and sights, you will be mentally preparing for a return visit here!

Lined with vibrant shops and stalls underneath the lush and brilliant palm trees and exotic fauna that covers the country, Bangkok is one of the most visited cities in the world, and it only takes a second in the city to understand why!

The Chao Phraya river stretches along this city that never sleeps and views from the villa will entice you to want to explore it! You will notice river travel is the preferred method to get about the city and The Siam Hotel offers a cruise service along the river, where you will be able to take in the majestic sights along the river. With a range of scenery from wooden shacks to majestic buildings, you will understand why they call Bangkok, the Venice of the East!

Shopping in the area varies greatly. Mae Nam's location allows guests quick access to Siam Paragon, one of the largest shopping centres in Thailand. With over two hundred and fifty stores, Southeast Asia's largest aquarium, a 16-screen Cineplex, and a comprehensive selection of world cuisine, an entire day can be spent at Siam Paragon, just 20 minutes away!

For those who wish to shop locally and immerse themselves in the culture of Thailand, the Siam offers an excursion to Tha Klua and Amphawa floating markets! Unique and rare, this practice of business on boats is slowly dying, so a journey is well worth it!

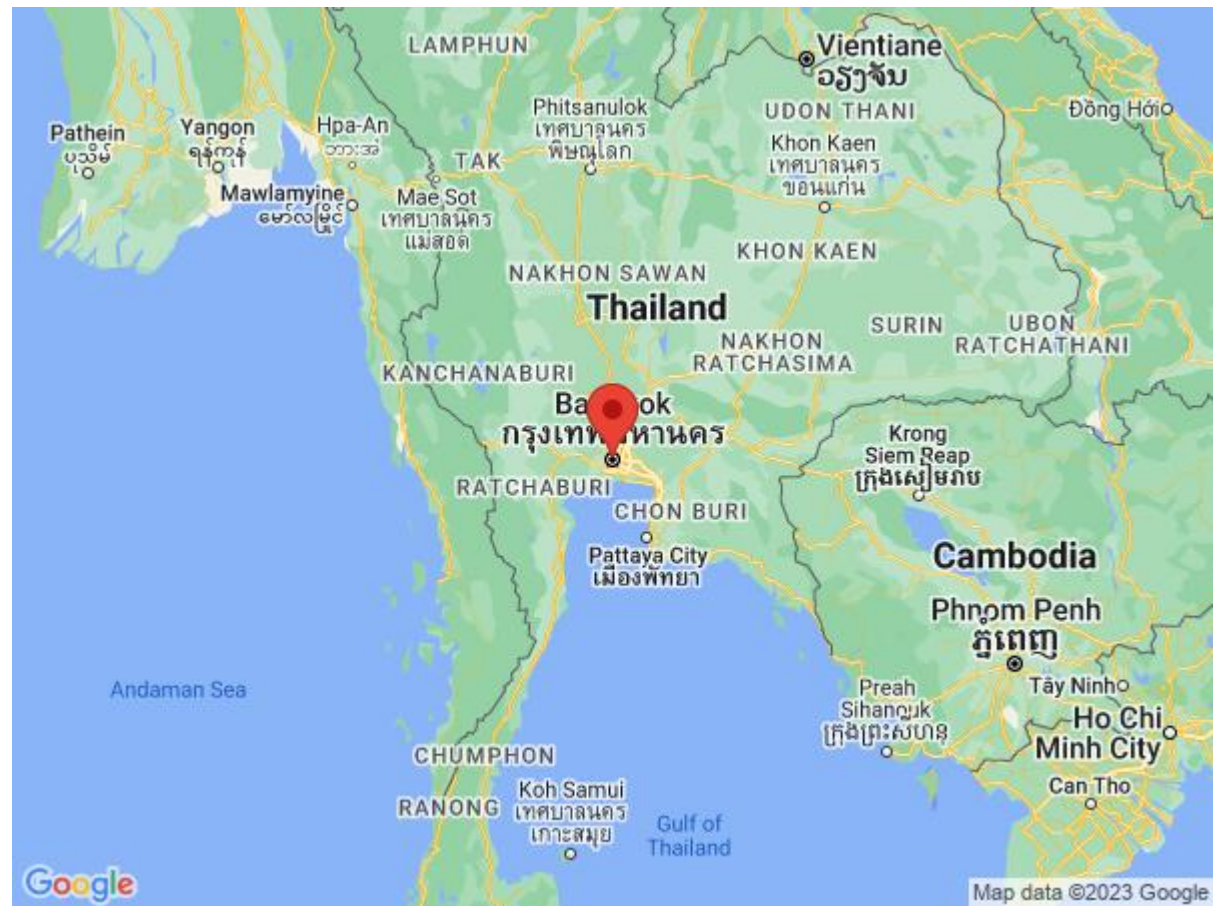

Guests are sure to have an unforgettable night regardless of whether they want to relax in the evening or indulge in the buzzing nightlife that the city provides.

With a multitude of bars, offering cocktails and refreshments throughout the night; the braver travellers can try their hand at karaoke or visit more risqué scenes, find a live show or performance in a multitude of places, have a drink on the rooftop bar and take in a three hundred and sixty degree view of Bangkok or enjoy dinner on a nightly boat cruise or the many restaurants around the city!
