Location & Local Information

Sugar Cane Ridge #8 villa is located on the exclusive, world class golf and beach resort, Royal Westmoreland on the fabulous west coast of Barbados. The villa is within a 10 minute drive of Holetown with its fabulous restaurants, beaches and amenities. There is a fabulous nightlife near the beach and exclusive shopping. Holetown's The Limegrove Lifestyle Centre offers some amazing dining opportunities in the Water Courtyard and on the rooftop as well as being one of the most stylish, upmarket places to shop for retail brands such as Armani,

Louis Vuitton and Ralph Lauren. You can also shop at the Chattle Village in Holetown for souvenirs amongst gorgeous tropical gardens. The Folkestone Marine Park in Holetown was set up to preserve the coral and shallow areas inhabited by the islands turtles. Two of the four reserve zones are for motorised aquatic sports, another is a scientific zone and the last, a recreational zone for snorkeling and discovering the amazing underwater world.

Bridgetown is an Instagram-worthy scene of waterfront cafes, Parliament Square, bridges, a boardwalk running along the river and across the water, bustling colonial streets with pastel coloured malls and warehouses and fruit carts and souvenir trinkets. Its an interesting eclectic mix. The streetscape has barely changed and streets have their original names such as Liverpool, Lancaster and Swan. The city's popular waterfront area is know as Constitution River. It was England's first port of call on the Transatlantic Slave Trade crossing. With its UNESCO World Heritage status, it is a place not to miss.

Barbados has some incredible beaches, mostly calm on the upmarket west coast but thrilling with rollers on the east. The turquoise waters are stunning and the marine life interesting and vibrant. You will find many watersports on the beaches including SUP, kayaking and jetskiing on the west coast and surfing, kitesurfing and windsurfing on the south-east coast. Some of the best beaches are Mullins Beach which you can visit from Royal Westmoreland on a shuttle service, Gibbes Beach and Paynes Bay on the west coast, Carlisle Bay and Accra Beach in the south, Silver Sands and Crane Beach in the south-east and Bathsheba in the east.

Rum has been produced in Barbados for over 350 years. Barbados rum is recognised as one of the strongest in the world! You can visit a rum distillery during your trip to taste and buy some. The Mount Gay distillery was founded in 1703. At the visitors centre you can discover the secrets of rum-making, hear pirates tales and sample the award-winning rums.

Barbados' rolling interior is sprinkled with unique plantation houses, lush botanic gardens and sugar cane fields. Though the beaches and the golf are strong pulls, you should not miss out on this beauty.
