

# Villa Sun Gale

Region: Albufeira Sleeps: 10

## Overview

Located in Portugal's ever-popular Algarve, Villa Sun Gale offers guests a spacious hideaway in the sun. This stunning five-bed villa infuses traditional Portugese architecture with Moroccan décor and has everything you need to enjoy a well-earned break in Albufeira.

Form the moment you arrive, you'll be able to bask the quiet contentment that only comes from having nothing but your own space to enjoy during your stay. Spread across two levels, you have five bedrooms to choose from which can comfortably sleep up to a total of ten people. With plenty of space to kick back and relax, this home away from home offers everything you need to make the most of your stay in Albufeira.

When it comes to living space, Villa Gale Sun is top-notch. You can sit back and relax in a comfortable living room and dining space for light bites, with two sofas and ample additional seating. Entertainment can be yours through the satellite TV with DVD player, letting you enjoy your favourite TV and movies during your stay. If you visit during the cooler months and feel a slight chill, there's no need to worry, a fully functioning fireplace finishes the room for your benefit.

At the heart of any home is the kitchen, and Villa Gale Sun is no different. Adding to that authentic homely feel, the fully-equipped kitchen provides all the essentials you need to feed your family and friends. For meals, you can choose from two dining spaces – either dine just off from the living room or in a separate dining room which transports guests across the sea into neighbouring Morocco. Delightful Moroccan lounge décor makes this space perfect for sharing a meal and unwinding in good company.

Guests can take their pick from three rooms with twin beds or two with king-size beds. Once again blending traditional Mediterranean décor with Moroccan, each room is delightfully decorated. While one of the twin rooms benefits from its own en-suite shower room, there are two additional bathrooms on the upper floor.

Outside, your own private pool and lounging area is yours to enjoy. There's also a small outdoor dining and food preparation area with a brick pizza oven, perfect for lunch by the pool. The swimming pool is a single depth pool with no access ladders for entry and exit, so we recommend not letting children play

near the pool unattended. On the patio, there's a small children's play area with a see-saw to play on during their stay.
