

Cabana Bio

Region: Comporta Sleeps: 2

Overview

Nestled amongst 17 hectares of unspoiled woodland, Sublime Comporta is the eco-friendly resort dreams are made of. Truly one with the nature that surrounds it, Sublime Comporta invites guests to relax and unwind in nature for a Portugal holiday like no other. Their dedication to sustainability and utilising the power of nature is felt nowhere better than in their exquisite Cabana Bio.

Overlooking one of Europe's largest biological pools, Sublime Comporta offers nine elegant cabanas that flow directly into their own private swimming pools. The waters of your bio-pool are kept fresh using nothing more than the power of nature, foregoing the use of man-made chemicals and disinfectants. The Cabana Bio is a great choice for anyone sensitive to standard swimming pools and the chemicals commonly used in pool cleaning.

Each Cabana Bio was designed with inspiration from the locals of Comporta village, particularly the décor and interior stylings of the local farmers and fishing folk. Your cabana effortlessly combines modern luxury with rustic cosiness in the heart of a thriving habitat for local species.

Inside the cabana, your Cabana Bio is a cosy retreat made up of an open plan living space that combines bedroom and living space, a bathroom and terrace which overlooks the pool itself. Each cabana offers a king-size bed for your rest and relaxation as well as a living area with sofa and fireplace that look out over the terrace and pool. The terrace features two large day beds which you can use for lounging day and night.

Across the wider resort, you'll find that Sublime Comporta is a haven of rest and relaxation, with a focus on wellness at its core. When not using your bio-pool, you can make use of the resort's two luxurious swimming pools for adults – one indoors and one outdoors.

There's plenty to get involved in around the resort; from an on-site spa, bike riding trails, yoga sessions and food and drink experiences. For on-site dining you have a pool bar, a lobby bar and three restaurants to choose from:

Sem Porta, Elevated Portuguese and Alentejo dining.

Food Circle, sustainable 'farm-to-table' dining experience.

Tasca da Comporta, traditional Portuguese dining.

On days you wish to visit the beach, Sublime Comporta provides guests with their own 'residents only' beach club right on the sands of beautiful Carvalhal beach, just ten minutes away from the resort. The beach club provides everything you need for an unforgettable day on the sands, a bar, a restaurant and loungers for basking under the sun.
