Location & Local Information

Villa Chloris enjoys a magical spot overlooking Kommeno, the Greek mainland coastline and Corfu Town's impressive fortresses. Located in Kontokali, the villa is just 7 km from Corfu Town.

Corfu is one of the most beautiful, lush green islands of Greece. With countless beaches, stunning scenery stretching from the crystal clear dazzling sea to the mountains, it is a dream destination. Together with fantastic cuisine, excellent shopping and a historic main town brimming with Venetian architecture and charm, it has something for everyone.

Kontokali shares a stunning bay with Gouvia, a friendly village brimming with charming bars, shops and beautiful beaches. Gouvia, a delightful former fishing village, boasts a stunning marina, a touch of culture and an 18th century shipyard which is still mostly intact.

The beautiful, atmospheric resort of Kassiopi is located in the lively north eastern corner of Corfu, cradled by the dramatic Mount Pantokrator which overlooks the resort. It enjoys a stunning harbour and charming narrow streets overlooked by the ruins of an ancient Byzantine castle. Visitors enjoy breathtaking views out to sea towards the Albanian coast. There is a gorgeous walk you can take around the headland.

Corfu Town or Kerkyra as it is otherwise known, is one of the most beautiful, graceful and elegant towns in Greece. Though seventh in size, it is one of the most populated in the whole of the Ionian Islands. The town's stunning architecture has many influences including Sicilian, Venetian, French and English. Corfu Town is brimming with elegant mansions, magnificent palaces, beautiful squares, no fewer than 39 churches and majestic fortresses. You should not miss The Liston and the Church of Saint Spiridon. The entire Old Town is declared a UNESCO World Heritage site, a tightly-packed warren of winding lanes bursting with lively bars, unique shops and fine restaurants. You will also see timeless alleys with the day's washing stretching from balcony to balcony. It is beautiful with lots of characterful buildings adorned with colourful bougainvillea.

There is so much to see and do on Corfu. Corfu has over 120 beaches in total, a few hundred villages, nearly a thousand churches, a significant mountain range, valleys, waterfalls and forests as well as more than 3 million olive trees, three lagoons and numerous caves. The fauna and flora is world famous due to the Durrell family and especially since the TV series. The Durrell house is within easy reach of Villa Chloris.
