There are four other cottages and a castle on the Cairngorms Castle Estate, sleeping up to 47 guests in total! It is a wonderful location for a special event or celebration. Each holiday property enjoys total privacy and access to the whole magical estate. Cairngorms Castle and the Estate have a fascinating history. The first map showing a building on the site was published between 1747 and 1755. The origins of the estate appear to have been Cairngorms Cottage which was built as a hunting lodge and inhabited by the

Shaw family from the late 1700's. Cairngorms Castle was built in the early 1860's, commissioned by Lord Clyde, Queen Victoria's banker and designed by Her Majesty's architect from Balmoral. The estate sold in 1867 at a traditional 'Roup' for a reduced price of £10,000 as advertised in the Times! Guests staying on any of the properties on the 200 acre estate enjoy beautiful scenery and the freshest of air on this dreamy estate. You can fish for rainbow and brown trout or take a trip out on the estate's private loch in the five person dinghy or fish for salmon or stroll along the River Shee which runs through the estate. Skiers and snowboarders enjoy the close proximity of the famous Glenshee Snowsports Centre ten miles away and walkers love the sensational 64 mile Cateran Trail, the second stage of which passes through the estate. You can take a beautiful moorland route to the Tail's highest point between Strathardle and Glenshee enjoying breathtaking views of the lush glens and rugged peaks. Cairngorms Castle is also a wonderful base for exploring the Cairngorms National Park with its choice of 55 Munros, four of which are the highest mountains in the UK. Those less active can enjoy the very scenic, spectacular drive along the 90 mile Snowroads stretch, starting at nearby Blairgowrie and driving to the Highland town of Grantown-on-Spey.

Glenshee translates as 'The Valley of Peace' and is known fondly by the the locals as 'the fairy glen'. The area is famous for its fantastic variety of activities including walking, angling, shooting, golf, cycling and also winter sports. Mountain biking, falconry and pony trekking are also available. The fantastic Glenshee Snowsports Centre is just ten miles from the cottage.
