Region: Comporta Sleeps: 4

Overview

Set within 17 pristine hectares of unspoiled woodland marked by cork trees, umbrella pines and wild sand dunes, Sublime Comporta and its luxurious villas are the perfect destination for eco-conscious travellers. Built with nature in mind, each aspect of Sublime Comporta sets out to reduce its impact on the world around it while also paying homage to it. A nature lover's paradise just a stone's throw away from the beach, don't be surprised when you see the various animals that call Sublime Comporta home going about their business.

La Cabana II provides a haven of peace and tranquillity which you can truly make your home away from home during your stay. This spacious villa can comfortably sleep up to four guests across two bedrooms.

Your main living space is a luxurious open plan area which combines kitchen, dining and lounging, making it the heart of the property. Decorated in bright airy furnishings, the La Cabana II is a modern take on the classic Comporta cabana which opens up onto a spacious terrace complete with outdoor dining facilities.

The bedrooms of your cabana are located in separate wings accessed via short corridors off the living space, giving you maximum privacy when in your rooms. Each room is furnished with a king-size bed and benefits from its own separate patio with two chairs and a table each. Your en-suite bathroom features dual sinks, a freestanding bathtub and rainfall shower.

Outside, you also have your own private swimming pool and sun loungers. Although you have your own pool and kitchen you're welcome to use the wider facilities the resort has to offer such as two swimming pools, three restaurants and two bars. You also have access to the Sublime Comporta's spa and sports facilities as well as their 'residents only' beach club on Carvalhal beach.

Though popular with visitors from all around the world, Comporta has retained its charm as an idyllic Mediterranean fishing village. The day-to-day pace of life is still laid back and you can find plenty of casual bars and restaurants while walking through its streets.

While Sub has its own beach club for resort guests on nearby Carvalhal beach, it's not the only beach in the area. In fact, you'll be spoiled for choice when deciding you should go each day. Whether you're heading north or south, you'll find miles upon miles of rolling golden sands before you.

Portugal is world-famous for its golf resorts and Comporta is no different, with the world-class Troia Golf just 30 minutes away by car. This 18-hole course was designed by esteemed golf architect Robert Trent Jones Senior and is considered to feature some of his finest work.
