## Location & Local Information

Corfu is one of the most beautiful, lush green islands of Greece. With countless beaches, stunning scenery stretching from the crystal clear dazzling sea to the mountains, it is a dream destination. Together with fantastic cuisine, excellent shopping and a historic main town brimming with Venetian architecture and charm, it has something for everyone.

Villa Adonia enjoys a very privileged, elevated location on the stunning Kommeno peninsula. It is just a few minutes walk to the golden beach and also walking distance to restaurants and bars. The secluded Kommeno Bay is halfway up of Corfu's eastern Ionian coast, just 20 minutes from the bustling, cosmopolitan Corfu Town. The quiet private roads on the peninsula give you a feeling of remoteness and calm. The vibrant beach bars of Dassia and Gouvia's 18th century Venetian architecture are also only 10 minutes away from this gorgeous villa. The Kommeno peninsula boasts some of the most coveted shoreline in Corfu.

Gouvia is a charming, former fishing village which is now a modern holiday resort with plenty of amenities for all ages. It boasts a pretty pebble beach and a stunning marina. It also offers many atmospheric restaurants, bars and cafes along the main street of the village. Its 18th century shipyard is still remarkably intact. The views from Gouvia are really stunning with the sparkling Ionian Sea and Corfu Town on the horizon.

Corfu Town, birthplace of the late Duke of Edinburgh, is one of the most beautiful, graceful and elegant towns in Greece. Corfu Town falls between two great Venetian coastal fortresses and within lies a very modern capital brimming with elegant mansions, magnificent palaces, beautiful squares and no fewer than 39 churches including the beautiful Church of Saint Spiridon. The Duke of Edinburgh was born at the fabulous Mon Repos Palace. Next to the palace gardens you will find the calm waters of the Mon Repos Beach. To the north, you will find Faliraki Beach. The town's stunning architecture has many influences including Sicilian, Venetian, French and English. The entire Old Town is declared a UNESCO World Heritage site, a tightly-packed warren of cobbled winding lanes bursting with lively bars, boutiques and fine restaurants. You will also see timeless alleys with the day's washing stretching from balcony to balcony, such a pretty scene, especially with colourful bougainvillea draped everywhere. There are also some interesting museums including the Byzantine Museum of Corfu which is housed in a 15th century church.

The beautiful, atmospheric resort of Kassiopi is located in the lively north eastern corner of Corfu. With the dramatic Mount Pantokrator overlooking the resort and with a stunning harbour, this once quiet fishing village is very

popular and very attractive. It boasts charming narrow streets overlooked by the ruins of an ancient Byzantine castle and breathtaking views out to sea towards the Albanian coast. There is a gorgeous walk you can take around the headland.
