## Location & Local Information

One of the real highlights of Turkey's beautiful Turquoise Coast, the town of Ka? is sure to charm you. As well as its stunning beaches, you'll find jumbles of streets filled with little boutiques and restaurants in Ka?, with plenty more to discover all over the Antalya Province.

Around 20 minutes' walk from the Old Town, the lovely Buyuk Cakil – otherwise known as Big Pebble Beach – is just one of the popular beaches where you can enjoy the splendour of this beautiful stretch of coast. There is a Little Pebble Beach too, which also has sun loungers and parasols. One of Turkey's best-known beaches is Kaputas, about 20 minutes' drive from Ka?. It's recommended to get there early if you are planning on spending a day at this scenic spot.

You will find plenty of places to eat and drink around the town, often with the opportunity to dine in the fresh air. It's a great place for cafés and bars, with live music a regular feature in many venues. As well as jazz and blues being performed live, you can also find bars with DJs playing everything from rock to vintage pop.

Many venues are just a stone's throw from the harbour, which bustles with its own activity – there are endless opportunities to take a boat trip, and it's well worth doing so. In about 20 minutes, you can even reach the Greek island of Kastellorizo, also known as Meis. This pretty little island offers attractive waterfront eateries and shops. Look out for the Blue Grotto while you're there – this wonderful sea cave is reason enough to visit the island, and jumping off the boat for a swim will create a memorable experience.

Around the wider region, there is lots more that's worthy of a day trip. The magnificent Saklikent Gorge is one not to miss. The longest, deepest canyon in Turkey is a fine place for outdoor activities – you can go on a hike through the water during the summer months, or try zip-wiring or rafting.

Antalya is steeped in history too, with various archaeological sites to explore. Patara's impressive ruins include a huge theatre and Roman baths, while the ancient city of Pinara features tombs and temples. Another special excursion is to kayak out to the sunken city of Kekova, an underwater city is also accessible on a regular boat trip.
