Location & Local Information

Sandyprints is located on Alleyne's Bay Beach on the West Coast or 'Platinum' coast of Barbados. It is set within St James's Parish, possibly the most exclusive area in Barbados. The west coast is famed for its fabulous powder white beaches and stunning sunsets and epitomises what we think about when we imagine beautiful Barbados.

It would be hard to find a more idyllic beach than Alleyne's Bay Beach, a beautiful stretch of sand with gentle lapping water in a beautiful bay, quieter than some of the nearby beaches, yet with its own character, a perfect spot for snorkelling or watching sunsets and just a gentle stroll away from the Lone Star restaurant. Just one mile down the road is Reeds Bay Beach and two miles away is Sandy Lane Beach perfect for spotting celebrities under the famous pink umbrellas.

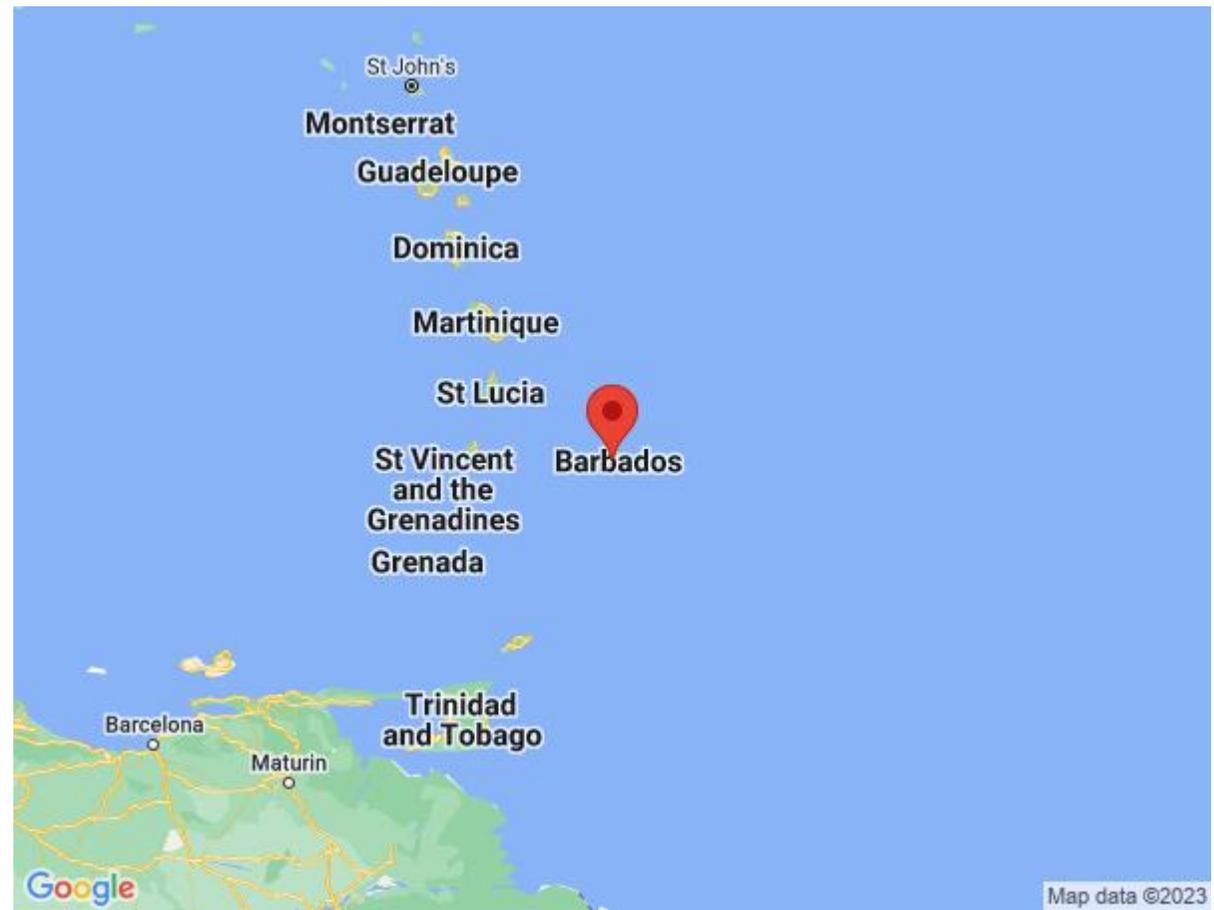

If golf is your thing again you are spoilt for choice, the world-class Royal Westmoreland Golf Club is just two miles away and the Sandy Lane Country Club course is less than 4 miles away.

It's just a 7-minute drive to thriving Holetown with its array of fabulous shops and restaurants. Holetown dates back to 1625 and was the site of the first British landing in Barbados. Holetown was named as the river that empties into the sea and reminded the English sailors of the Limehouse Hole on the River Thames. The beautiful and historical St James Parish Church, built originally in 1627, is a must see and gives you a real taste of Barbados history.

Today you can enjoy high-end duty-free shopping at Limegrove Shopping Mall. For a taste of local culture, you should visit the Chattel Village Shops in these beautifully restored Chattel Houses you can find local arts, crafts and fashion, perfect for finding a unique gift or memento.

Holetown boasts some of the island's finest restaurants notable names include The Beach House and Tides. Barbados has some of the friendliest people and coolest music and a lot of fabulously cheap rum. First and Second Street is the place to party with its cocktail lounges, music bars and restaurants.

Barbados has so much to offer and getting round the Island is very easy, whether in a Jeep or a mini Moke a topless doorless car or experiencing one of the island's 'Boogie' or 'Reggae' Buses. You should visit Oistins Friday Fish Fry a marketplace that comes alive with Reggae beats and barbecues sizzling, try local fish, washed down with a beer and sway along to the music and simply people watch. You can visit a rum plantation. St Nicholas Abbey offers rum experience tours and moonlight dinners in a fabulous setting.

Otherwise, you can try a Sunday Brunch Bajan style, a marvellous buffet with a wide choice of local dishes all eaten al fresco. There is a gospel brunch at the Crane Hotels L'Azure restaurant that's not to be missed.

Barbados offers every type of water sport so whether you want a day out, on a catamaran or want to try surfing on the Caribbean Sea, this can be easily organised.
