## Location & Local Information

Villa Handan is nestled in the hills and olive groves of Kışla, overlooking the harbour town of Kalkan, with panoramic views over the aptly named Turquoise Coast of the Mediterranean Sea. The town of Kalkan is 125 kilometres from Dalaman Airport, a scenic one and a half hour journey through the Turkish countryside and Taurus mountains. Originally a Greek enclave called Kalamaki, Ottoman and Hellenic influences can be found in the winding streets of the old town, full of traditional white houses and home to a plethora of restaurants, cafes and bars, and souvenir shops full of goodies you'll want to take home. Many of Kalkan's best beach clubs are within walking distance of the villa, with bathing platforms, sea views, swimming pools, and waiter service; there's no need to leave your sun lounger all day.

No stay in Kalkan is complete without a boat trip from the harbour, whether it's a shared one with family and friends or you charter your own gulet, a day out at sea with your favourite captain and crew, is one to treasure. All aboard for a day of swimming and snorkelling in beautiful bays, enjoy a meal of local homecooked meze, take afternoon tea, and then sail back to harbour cocktail in hand to watch the sunset. For the beach bunnies, Kalkan has its own pebble beach with easy access into the sea. Travel further afield to the stunning Kaputas Beach set in a natural gorge, or take a trip to Patara, where you will find twenty kilometres of unspoilt golden sands and a protected area for the hatching turtles. Kalkan is home to a number of beach clubs along the length of its coastline, have some fun in the sun at family-friendly resorts offering water sports and swimming pools, or relax and unwind at exclusive luxury destinations and be waited on hand and foot whilst enjoying alfresco spa treatments.

For those with itchy feet the Lycian Way walking trail cuts through Kalkan. Follow in the footsteps of thousands of years of history, as you trek the trail taking you through major archaeological sites, local villages, dramatic coastlines, and the areas' flora and fauna. Take a short journey to the town of Kinik, where you can step back in time to the Lycian city of Xanthos. Follow the D400 to Fethiye, and discover the historical sites of Patara, Letoon, Tlos, and Pinara, where you can see the ancient ruins, amphitheatres and temples with Lycian, Greek, Roman, and Byzantine influences. The harbour town of Fethiye is also full of ancient sites worth seeing, as well as a foodie-heaven fish market, and home to some seriously good designer labels and fabulous jewellery shopping. Whilst the nearer town of Kas is just twenty-five kilometres away, and worth the journey alone along one of the world's most stunning and dramatic coastlines. Walk through the harbour to the cobbled streets full of Ottoman architecture and overhanging balconies festooned with pastel coloured bougainvillea, barter for unique handmade and antique goods in its many shops, and make memories dining in one of the traditional restaurants serving authentic Turkish cuisine with mesmerising sea views. And if you're

feeling intercontinental hop on the twenty-minute ferry from Kas to the Greek island of Meis, where you can explore the Blue Cave and dine by the water's edge.
