There are many famous tourist spots on Tenerife, both for entertainment and scenic beauty. The southern resorts offer white sandy beaches, revelry and clubbing while the dramatic highs of the mountains offer amazing views and extraordinary beauty with some of the most fabulous hiking in the whole of Spain. There are cultured port settlements, tropical forest walks, carnival celebrations, a famous water park and a range of museums and temples for modern art. Visitors can enjoy golf, cycling, diving, snorkeling, water sports, spa treatments, tennis and the island's fantastic range of dining opportunities.

The sensational panorama from the peak of Mount Teide can be enjoyed by taking a cable car to the top. On a clear day, the volcanic valley captures the eye and you can see the islands of La Gomera, La Palma and El Hierro. The stunning, volcanic Teide Park has to be a highlight of any visit to Tenerife.

Puerto de la Cruz is home to Jardin Botanico, a magnificent botanical garden with plants from all over the world, including roses, tropical and subtropical plants, palms, herbs and a giant 200 year old Australian Moreton Bay fig. It was established in 1788.

One of the loveliest squares is Plaza del Adelantado, home to the town hall and a convent. Plaza

del Crito boasts a lively market selling flowers and produce.
