Location & Local Information

Chalet Tresor has the perfect location to enjoy one of the most spectacular skiing terrains in Europe and the Les Grands Montets ski slopes are world renowned.

Thrill seekers and expert skiers frequent the Chamonix terrain in search of formidable pistes and Les Grands Montets has the reputation of one of the best off-piste ski areas in the Alps.

Les Grands Montets offers excellent snow conditions and has slopes for every level.

There are three distinctive zones, the lower mountain area between Argentière Village and the main station of Lognan at 1972m, the mixed alpine terrain from Lognan to Borchard at 2765m and the steeper alpine terrain which includes the Argentière glacier up to 3275m.

Much of the area is above the tree line with the upper skiing areas located on a glacier, accessed by a second cable car, the views are stunning. Consisting of 8 main lifts with 2 gondolas, 2 cable cars and 4 chair lifts.

Chamonix offers novice and intermediate skiers some wonderful training slopes and Les Houches is perfect for beginners with its large upper plateau. Overall there are 4 black runs, 13 red runs, 8 blues and 2 green runs.

If that's not enough there are lots of non-skiing activities to enjoy. Les Grands Montets offers fabulous scenery, stunning landscapes, waterfalls and many paths to explore on foot or mountain bike making the area a wonderful place to see throughout the year.

There are many attractions to enjoy including a cable car ride to the summit where you can enjoy the L'Aiguille Verte, Les Droites and Les Drus peaks or for a different thrill you can book a tandem paragliding flight from a 3220m altitude.

The tree-top climbing Accro Adventure Park and rock-climbing crag in Lac des Gaillands are also not to be missed.

Les Houches is home to the Kandahar World Cup Skiing Event. It is a very traditional Savoyarde ski resort with many charming mountain restaurants.

Chamonix boasts many shops, bars and restaurants catering for every taste. It retains a traditional charm, particularly in the pedestrianised town centre. It boasts Victorian architecture and a pretty river. Après-ski starts early evening with delicious cocktails and an extensive beer selection. Chamonix is nestled in a valley at the crossroads of France, Italy and Switzerland with the backdrop
