Location & Local Information

The Chamonix Valley has one of the most spectacular skiing terrains in Europe and the Les Grands Montets ski slopes attract visitors from all over the world.

Chalet Chatoyer is perfectly positioned to make the most of this extraordinary area

Les Grands Montets has three distinctive zones, the lower mountain area between Argentière Village and the main station of Lognan at 1972m, the mixed alpine terrain from Lognan to Borchard at 2765m and the steeper alpine terrain which includes the Argentière glacier up to 3275m.

Much of the area is above the tree line with the upper skiing areas located on a glacier, accessed by a second cable car. The view from the top lift station is breath-taking with spectacular views of the Argentière glacier and over towards Mont Dolent.

There are 8 main lifts with 2 gondolas, 2 cable cars and 4 chair lifts.

Thrill seekers and expert skiers frequent the Chamonix terrain in search of formidable pistes and Les Grands Montets has the reputation of one of the best off-piste ski areas in the Alps. However, Chamonix also offers novice and intermediate skiers some wonderful training slopes. Les Houches is perfect for beginners with its large upper plateau.

Overall the valley is 16km long and 2km wide with the Mont Blanc ski pass covering the resorts of Argentière and Les Houches, as well as the resorts of Megeve and Verbier in Switzerland.

Chamonix is a fully functioning all year round resort. Les Grands Montets offers fabulous scenery, stunning landscapes, ice-falls in the Chamonix Valley, waterfalls and many paths to explore on foot or mountain bike making the area a wonderful place to see throughout the year. One of the many thrilling attractions is 'Step into the Void' (Aiguille du Midi Skywalk) a glass room suspended 12,604 feet (3,842 meters) high on the summit of Aiguille du Midi Mountain. Reinforced by strong steel and set on the edge of a steep cliff, the transparent box offers unobstructed views of Europe's highest peaks, with nothing but air below!

For a different thrill you can book a tandem paragliding flight from a 3220m altitude.

And, a gentler option is the snow garden situated at the top of Grands

Montets, constructed and maintained by the piste team.

Closer to home Argentière is a truly charming and authentic village located only a few minutes' drive from the property. Argentière offers a wonderful selection of local restaurants, patisseries, shops and bars alongside a beautiful Baroque-style church.

Argentière is also home to several fantastic hiking paths you can climb up to Lac Blanc for stunning views of Mont Blanc!

The town of Chamonix is only 12 minutes' drive away and offers an unmissable apes-ski scene. You can enjoy everything from Michelin-acclaimed restaurants to crazy table top dancing bars. There is truly something for everyone!, Chamonix is nestled in a valley at the crossroads of France, Italy and Switzerland with the backdrop of the jaw dropping Mont Blanc, With its Victorian architecture and lovely pedestrianised town centre, it makes for a picture perfect apes-ski experience.
