Location & Local Information

Chalet Jonquille has the perfect location to enjoy one of the most spectacular skiing terrains in Europe and the Les Grands Montets ski slopes are world renowned.

Thrill seekers and expert skiers frequent the Chamonix terrain in search of formidable pistes and Les Grands Montets has the reputation of one of the best off-piste ski areas in the Alps

Les Grands Montets offers excellent snow conditions and has slopes for every level.

There are three distinctive zones, the lower mountain area between Argentière Village and the main station of Lognan at 1972m, the mixed alpine terrain from Lognan to Borchard at 2765m and the steeper alpine terrain which includes the Argentière glacier up to 3275m.

Much of the area is above the tree line with the upper skiing areas located on a glacier, accessed by a second cable car, the views are stunning. Consisting of 8 main lifts with 2 gondolas, 2 cable cars and 4 chair lifts.

Chamonix offers novice and intermediate skiers some wonderful training slopes and Les Houches is perfect for beginners with its large upper plateau. Overall there are 4 black runs, 13 red runs, 8 blues and 2 green runs.

There are lots of non-skiing activities to enjoy. Fabulous scenery, stunning landscapes, waterfalls and many paths to explore on foot or mountain bike makes the area a wonderful place to see throughout the year.

Not to be missed is the 'Step into the Void' attraction (Aiguille du Midi Skywalk), a glass room suspended 12,604 feet (3,842 meters) high on the summit of Aiguille du Midi Mountain. Reinforced by strong steel and set on the edge of a steep cliff, the transparent box offers unobstructed views of Europe's highest peaks, with nothing but air below or for a different thrill you can book a tandem paragliding flight from a 3220m altitude.

The tree-top climbing Accro Adventure Park and rock-climbing crag in Lac des Gaillands are also excellent outside activities to enjoy.

Chamonix boasts many shops, bars and restaurants catering for every taste. Nestled in a valley at the crossroads of France, Italy and Switzerland with the backdrop of the jaw dropping Mont Blanc, it makes for a picture perfect apres-ski experience. It retains a traditional charm, particularly in the pedestrianised town centre. It boasts Victorian architecture and a pretty river.
